

ARCHED MAINSPRING HOUSING FOR 1911 - ARCHED SERRATED MAINSPRING HOUSING FOR 1911 STAINLESS

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

ARCHED 1911 MAINSPRING HOUSING Classic and contemporary arched mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Designed to ride high in the heel of the hand, this traditional shape keeps the hand close to the bore, minimizing muzzle rise and enhancing recoil control for precise shooting performance. The grooved surface provides a firm and reliable grip while ensuring minimal drag on clothing, making it ideal for competition, carry, and tactical applications. The arched mainspring housing features drop-in installation for all full-size 1911 pistols, including Para-Ordnance models such as the P-14 and P-16. Crafted with durability and versatility in mind, these housings seamlessly integrate with any steel type or finish, ensuring a high-quality addition to your firearm.

Safety Instruction Guide for Arched Mainspring Housing for 1911

Introduction

Thank you for choosing the Arched Mainspring Housing for your 1911 pistol. This product has been designed to enhance your shooting experience while ensuring safety and functionality. This guide provides essential safety instructions, installation procedures, and general guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always treat your firearm with respect and follow all safety rules.
- Ensure that the firearm is unloaded before installing or handling the mainspring housing.
- Keep the mainspring housing and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and modification.
- If you experience any issues with the product, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the mainspring housing is compatible with your specific model of the 1911 pistol.
- Do not attempt to modify or alter the mainspring housing beyond the intended use.
- Use only recommended tools for installation to avoid damaging the product or your firearm.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver and any other tools specified in the product manual.

2. Removal of Existing Mainspring Housing

- Remove the existing mainspring housing by following the manufacturer's instructions for your specific 1911 model.
- Carefully detach any components that may be connected to the mainspring housing.

3. Installation of Arched Mainspring Housing

- Align the arched mainspring housing with the mounting points on your firearm.
- Insert the housing and secure it in place using the appropriate screws. Ensure it is firmly attached but avoid overtightening.
- Reattach any components that were removed during the process.

4. Final Checks

- Inspect the installation to ensure that everything is secure and properly aligned.
- Conduct a function check of the firearm to ensure it operates correctly with the new mainspring housing.

Usage Instructions

- After installation, ensure that the mainspring housing is functioning correctly before use.
- Familiarize yourself with the feel of the new mainspring housing during practice sessions.
- Adjust your grip as necessary to take full advantage of the arched design for improved control and performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If you need to dispose of the mainspring housing, check with local waste management for proper disposal methods.
- Do not discard any firearm components in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product packaging. Always ensure you have access to support if needed.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new Arched Mainspring Housing for the 1911 pistol. Thank you for your attention to safety and responsible firearm ownership.
