Precision Machined for Crafting High-Performance Custom Pistols

1911 GOVERNMENT MODEL FRAME Brownells is proud to introduce their BRN-1911 Government Model frame. Starting as a high-grade forging, each frame is precision machined to exacting specifications for exceptional fit and performance, making it a substantial step above cheap generic 1911 frames. An ideal foundation for any custom 1911, each Brownells BRN-1911 Government Model frame arrives ready for the slide, barrel, sights, and fire-control components of your choice to be fitted. All holes are drilled in one setup, allowing for more accurate alignment throughout. NOTE: Gunsmith fitting is required - a well-built 1911 ain't no plug-n-play plastic pistol Standard Government Model (full-sized) single-stack frame Available in stainless steel .250" radius cuts for an extended beavertail safety FFL required for purchase Series 70 Each BRN-1911 1911 Government Model frame comes with a pre-cut .250" radius on the tang, ready for an extended Ed Brown style grip safety to protect the web of the shooter's hand from the dreaded "hammer bite."

Safety Instruction Guide for the 1911 Government Model Frame

Introduction

Thank you for choosing the Brownells BRN1911 Government Model Frame. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that you are of legal age to purchase and own firearms in your jurisdiction.
- Always treat the frame as if it is loaded, even if you believe it is not.
- Store the frame in a secure location, away from unauthorized access, especially from children.
- Use the frame only in accordance with applicable laws and regulations.
- Regularly inspect the frame for any signs of wear or damage before use.
- Do not attempt to modify the frame or use it with incompatible components.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure that you have a safe and secure shooting environment.

Specific Safety Precautions for Use

- Gunsmith fitting is required for proper installation. Do not attempt to assemble the frame without professional assistance.
- Ensure that all components, such as the slide, barrel, and firecontrol parts, are compatible with the frame.
- Avoid using the frame for any purpose other than its intended use as a firearm frame.
- Be cautious of "hammer bite." Use an extended Ed Brown style grip safety to protect your hand.
- Do not exceed the manufacturer's specifications for ammunition or modifications.
- Always follow the manufacturer's instructions for any additional components you plan to install.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before beginning the installation.
- Ensure that your workspace is clean and organized.

2. Installation Steps

- Carefully read the installation instructions for each component you will be fitting to the frame.
- Begin by fitting the slide to the frame. Ensure that it moves smoothly and aligns correctly.
- Install the barrel according to the manufacturer's specifications, ensuring proper locking and unlocking.
- Fit the sights to the slide, making sure they are securely attached and properly aligned.
- Install the firecontrol components, ensuring that all parts are fitted correctly for safe operation.
- Check that all screws and fittings are tightened to the manufacturer's specifications.

3. Final Checks

- Once all components are installed, conduct a thorough inspection of the firearm.
- Ensure that all parts are functioning correctly and that there are no loose components.

- Perform a function check to confirm that the firearm operates safely and as intended.

Disposal Instructions

- When disposing of the frame or any firearm components, follow local laws and regulations regarding firearm disposal.
- Do not discard firearms or frames in regular waste. Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Brownells BRN1911 Government Model Frame, please refer to the manufacturer's website or contact your local firearms dealer for assistance.

Thank you for prioritizing safety while using your 1911 Government Model Frame. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
