# M&P 2.0 Rebuild Kit Safety Instructions

## Introduction

Thank you for choosing the M&P 2.0 Rebuild Kit by ED BROWN. This kit contains essential components to rebuild your Smith & Wesson M&P or M&P 2.0 slide. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure that the firearm is unloaded before beginning any work.
- Keep the rebuild kit and all its components out of reach of children and unauthorized users.
- Regularly check for product recalls or safety notices on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the authorities immediately.

## Specific Safety Precautions for Use

- Use only OEM parts included in this kit to ensure compatibility and safety.
- Avoid using damaged or worn components, as they may pose a safety risk.
- Wear appropriate safety gear, including safety glasses, when handling parts.
- Ensure a clean and well-lit workspace to avoid accidents during the installation process.
- Be aware of potential hazards such as sharp edges on components.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded and the magazine is removed.
- Gather all necessary tools and components from the rebuild kit.

### 2. Disassembly of the Slide

- Carefully remove the slide from the frame of the firearm.
- Follow the manufacturer's instructions for disassembling the slide components.

### 3. Replacement of Components

- Identify the components that need replacement as per the rebuild kit.
- Replace the striker assembly, striker block spring spacer, and other components as specified.
- Use the appropriate plunger and springs provided in the kit.

### 4. Reassembly of the Slide

- Once all components are replaced, carefully reassemble the slide.
- Ensure that all parts are fitted securely and function properly.

### 5. Final Checks

- After reassembly, perform a function check to ensure that the slide operates smoothly.
- Confirm that the firearm is still unloaded and safe to handle.

## **Disposal Instructions**

- Dispose of any old or unused components in accordance with local regulations.
- Do not dispose of components in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the M&P 2.0 Rebuild Kit, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your M&P 2.0 Rebuild Kit. Thank you for your attention to safety, and enjoy your product responsibly.
