

1911 DROP-IN MATCH BARRELS - ED BROWN 1911 45ACP GOVERNMENT BARREL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

No Fitting Required For Match Grade Accuracy

CNC machined with slightly oversized dimensions for tighter barrel lockup and a "Match Quality", drop-in fit. Premium stainless steel bar stock is machined, heat treated and cryo stress relieved before final rifling to improve accuracy and barrel life. Precision, broach cut rifling gives outstanding accuracy with all bullet types, including lead. Complete kit includes pre-fit, match-grade barrel, bushing, link and pin for faster installation. May require minor fitting. Some fitting may be required when using on a Colt enhanced slide.

Safety Instruction Guide for 1911 DROPIN MATCH BARRELS ED BROWN 1911 45ACP GOVERNMENT BARREL

Introduction

Thank you for choosing the ED BROWN 1911 DROPIN MATCH BARRELS. This guide provides essential safety instructions and information to ensure the safe and effective use of your new barrel. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always treat the firearm as if it is loaded.
- Store the barrel and firearm in a secure location, away from children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Familiarize yourself with the specific laws and regulations regarding firearms in your area.
- Regularly inspect your firearm and barrel for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the barrel with compatible 1911 Government model firearms.
- Ensure the firearm is unloaded before installing or removing the barrel.
- Be aware that some fitting may be required, especially when using on a Colt enhanced slide. Consult a qualified gunsmith if unsure.
- Avoid using the barrel with ammunition that is not specified for this product.
- Do not exceed the recommended barrel weight and dimensions for your firearm.
- Keep your hands and face clear of the muzzle when installing or adjusting the barrel.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a bushing wrench and a punch.

2. Installation:

- Remove the slide from the frame of the firearm.
- Remove the existing barrel from the slide.
- Insert the ED BROWN matchgrade barrel into the slide, ensuring it fits snugly.
- Install the bushing, link, and pin included in the kit.
- Ensure that the barrel is locked into place securely.
- Reassemble the slide onto the frame.

3. Usage:

- After installation, check the fit and function of the barrel.
- Test the firearm in a safe environment, ensuring proper cycling and accuracy.
- Monitor for any unusual behavior during use, such as excessive recoil or misfires.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the barrel becomes damaged beyond repair, consult local regulations for proper disposal methods. Do not dispose of firearms or firearm components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ED BROWN 1911 DROPIN MATCH BARRELS, please refer to the manufacturer's contact information provided separately. It is important to reach out for assistance or clarification to ensure safe usage of the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your new ED BROWN 1911 DROPIN MATCH BARRELS. Thank you for your attention to safety.
