

1911 DROP-IN MATCH BARRELS - ED BROWN 1911 45ACP COMMANDER BARREL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

No Fitting Required For Match Grade Accuracy

CNC machined with slightly oversized dimensions for tighter barrel lockup and a "Match Quality", drop-in fit. Premium stainless steel bar stock is machined, heat treated and cryo stress relieved before final rifling to improve accuracy and barrel life. Precision, broach cut rifling gives outstanding accuracy with all bullet types, including lead. Complete kit includes pre-fit, match-grade barrel, bushing, link and pin for faster installation. May require minor fitting. Some fitting may be required when using on a Colt enhanced slide.

Safety Instruction Guide for ED BROWN 1911 DROPIN MATCH BARRELS

Introduction

Thank you for choosing the ED BROWN 1911 DROPIN MATCH BARREL. This product is designed to enhance the performance of your 1911 Commander firearm. It is essential to follow all safety guidelines and instructions to ensure safe and effective use. This guide provides important safety information, installation instructions, and contact information for further support.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, away from unauthorized users, especially children.
- Wear appropriate safety gear, such as eye and ear protection, when handling firearms.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Inspect the barrel and firearm for any damage before use. Do not use if damaged.
- Ensure that the barrel is compatible with your specific model of firearm.

Specific Safety Precautions for Use

- Only use ammunition that is specifically designed for the 1911 45ACP.
- Avoid using reloaded or handloaded ammunition unless it has been verified for safety and compatibility.
- Do not exceed the manufacturer's recommended load specifications.
- Regularly clean and maintain your firearm and barrel to ensure optimal performance and safety.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Do not modify the barrel or firearm in any way that is not recommended by the manufacturer.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a bushing wrench, link pin, and any other required tools as per your firearm's specifications.

2. Remove the Existing Barrel:

- Disassemble your firearm according to the manufacturer's instructions.
- Remove the existing barrel and bushing from the slide.

3. Install the New Barrel:

- Insert the ED BROWN dropin match barrel into the slide.
- Install the bushing, ensuring it fits snugly.
- Attach the link pin to secure the barrel in place.

4. Check for Fit:

- Ensure the barrel locks up tightly and operates smoothly.
- Minor fitting may be required, especially when using on a Colt enhanced slide.

5. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble your firearm.
- Ensure all parts are correctly installed and secure.

6. Final Inspection:

- Conduct a thorough inspection of the firearm before use.
- Test the fit and function of the new barrel with dummy rounds before live fire.

Usage Instructions

- Once installed, the barrel is designed for matchgrade performance.
- Follow all standard safety procedures when firing your firearm.
- Monitor the performance of the barrel during use and inspect regularly for wear and tear.

Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options available for metal components.

Contact Information for Further Support

For any questions or concerns regarding the ED BROWN 1911 DROPIN MATCH BARREL, please refer to the manufacturer's customer service or support resources. Ensure to have your product information available for reference.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
