

# GRIP FRAME INSERT FOR GLOCK® - PEARCE GRIP GLOCK 42/43 FRAME INSERT

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## Fills The Opening In Glock Frame For Smoother Reloading

Plastic plug installs in the bottom rear cavity of the frame to fill the opening found in Glock® pistols. Front "lip" forms a tight, flush bond with the mag well to help make sure the mag goes where it should, smoothly. Keeps dirt and debris from finding its way inside the pistol and gives a clean, smooth look. Uses the lanyard hole for retention to snap firmly into place. Glock® Plus Zero fits Models 17 through 25, 31, 32, 34, 35, 37, and 38. Gen 4 Grip Frame Inserts allow for use of the factory interchangeable backstraps. Gen 4 Full & Mid model fits Generation 4 Glock® models 17/18/19/22/23/24/25/31/32/34/35/37/38. Gen 4 Subcompact model fits Generation 4 Glock® models 26/27/33/39. Other inserts fit the Glock® models indicated in the price lines below. Does not add extra rounds.

# Safety Instruction Guide for GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP GLOCK 42/43 FRAME INSERT

## Introduction

Thank you for choosing the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP GLOCK 42/43 FRAME INSERT. This product is designed to enhance the functionality and appearance of your Glock® pistol. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grip frame insert.
- Keep the product out of reach of children and unauthorized users.
- Inspect the grip frame insert for any damage before installation. Do not use if damaged.
- Store the grip frame insert in a safe, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This product is intended for use with Glock® models 42 and 43 only. Ensure compatibility before installation.
- Avoid using the grip frame insert if you notice any wear or deterioration.
- Do not use the grip frame insert as a substitute for proper firearm safety practices.
- The grip frame insert does not increase the magazine capacity of your firearm.
- Ensure that the lanyard hole is properly engaged during installation to prevent accidental removal.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your Glock® pistol is unloaded and pointed in a safe direction.
- Gather necessary tools if required for installation.

### 2. Installation:

- Locate the bottom rear cavity of the frame of your Glock® pistol.
- Align the grip frame insert with the opening in the cavity.
- Press the insert firmly into place until it clicks, ensuring a tight fit.
- Verify that the front "lip" forms a flush bond with the mag well.

### 3. Usage:

- After installation, check the fit and ensure that there are no gaps between the insert and the frame.
- Regularly inspect the grip frame insert for any signs of wear or damage.
- If you experience any issues with the grip frame insert during use, remove it immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the grip frame insert in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged, ensure it is disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP GLOCK 42/43 FRAME INSERT, please refer to the manufacturer's contact information or consult your retailer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
