## Reliable Feeding With A Host Of Ammo Types; Models For Every Shooting Application

One-piece, machined aluminum block converts AR-15 lower receiver to 9mm. Compatible with all, Colt-type, 9mm upper receivers, the feed ramp is cut for reliable feeding with all types of ammo, including hollow point and frangible ball. Roller retention device holds block securely in receiver, prevents accidental release. Hardened steel ejector, feed ramp and bolt hold open give long service life; last-round-hold-open feature on bottom-loading model works when used with Colt magazines. Also works with modified UZI magazines but last-round-hold-open will not function. No receiver modification required. Top-Loading Block installs from the top of the lower receiver and Bottom-Loading Block installs from the bottom of the lower receiver.

# Safety Instruction Guide for AR15/M16 9MM DropIn Conversion Blocks

## Introduction

Thank you for choosing the AR15/M16 9MM DropIn Conversion Blocks by Hahn Precision. This product allows you to convert your AR15 lower receiver to accommodate 9mm ammunition. It is essential to use this product safely and correctly to ensure optimal performance and safety. This guide provides important safety instructions, installation guidelines, and contact information for further support.

## General Safety Guidelines

- Ensure that the conversion block is compatible with your AR15 lower receiver and Colttype 9mm upper receivers.
- Always handle firearms and their components with care and in accordance with local laws and regulations.
- Do not attempt to modify the conversion block or any firearm components. Unauthorized modifications can lead to malfunctions and accidents.
- Keep the conversion block and all firearms out of reach of children and unauthorized users.
- Regularly inspect the conversion block for wear or damage before use.
- If you experience any issues or malfunctions, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms.
- Ensure the firearm is unloaded before installing or removing the conversion block.
- Use only recommended Colt magazines for optimal performance. Modified UZI magazines may not function correctly.
- Be aware that the lastroundholdopen feature will not function with modified UZI magazines.
- Use only highquality ammunition approved for use with this conversion block, including hollow point and frangible ball ammunition.
- Do not exceed the recommended ammunition specifications for your firearm.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure your AR15 lower receiver is unloaded and free of any ammunition.
2. **Select the Block:** Choose the appropriate block type for your needs (TopLoading or BottomLoading).
3. **Install the Block:**
  - For TopLoading Block: Insert the block from the top of the lower receiver.
  - For BottomLoading Block: Insert the block from the bottom of the lower receiver.
4. **Secure the Block:** Use the roller retention device to hold the block securely in place. Ensure that it is properly engaged to prevent accidental release.
5. **Check Compatibility:** Confirm that the conversion block is securely installed and compatible with your Colttype 9mm upper receiver.

### Usage

1. **Load Your Firearm:** Load your firearm with recommended Colt magazines.
2. **Function Check:** Before firing, conduct a function check to ensure proper operation of the conversion block.
3. **Shooting:** Fire the firearm in a safe environment, following all local laws and regulations.
4. **PostUse Inspection:** After use, inspect the conversion block for any signs of wear or damage.

## **Disposal Instructions**

When the conversion block reaches the end of its service life, or if it is damaged beyond repair, dispose of it responsibly. Follow local regulations for the disposal of aluminum and firearm components. Do not discard in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety, installation, or use of the AR15/M16 9MM DropIn Conversion Blocks, please reach out to the manufacturer or a qualified gunsmith for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15/M16 9MM DropIn Conversion Blocks. Thank you for your attention to safety and compliance.
