

AR-15/M16 ENHANCED TRIGGERGUARD - MAGPUL ENHANCED TRIGGERGUARD FOR AR-15/M16 BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

Keeps Trigger Accessible, Even With Gloves

Aluminum triggerguard replaces factory guard and gives full access to the trigger, even when you're wearing gloves. Ends the complication of having to drop the triggerguard in cold weather environments in order to get to the trigger. Trigger guard gives you an oversized opening and is held in place with standard roll pins and set screws. Eliminates need for gap plug and works with most grips.

Attributes

- Name: [MAGPUL ENHANCED TRIGGERGUARD FOR AR-15/M16 BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100002198

AR15/M16 Enhanced Triggerguard Safety Instructions

Introduction

Thank you for choosing the AR15/M16 Enhanced Triggerguard by Magpul. This product is designed to improve your shooting experience while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use the triggerguard safely and effectively.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the triggerguard.
- Always treat every firearm as if it is loaded.
- Keep the triggerguard and firearm out of reach of children and unauthorized users.
- Use the triggerguard only as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the triggerguard for signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the triggerguard, always wear appropriate protective gear, such as gloves and eye protection.
- Ensure that the triggerguard is securely installed before use to prevent accidental disengagement.
- Be aware of your surroundings and ensure that no one is in the line of fire when handling the firearm.
- Avoid using the triggerguard in extreme weather conditions that may affect its performance.
- Do not modify the triggerguard or use it in conjunction with incompatible accessories.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** You will need a roll pin punch and a set screw driver to install the triggerguard.
2. **Remove the Factory Triggerguard:**
 - Ensure the firearm is unloaded.
 - Use the roll pin punch to carefully remove the roll pins securing the factory triggerguard.
3. **Install the Enhanced Triggerguard:**
 - Align the new triggerguard with the receiver of the firearm.
 - Insert the roll pins provided with the triggerguard into the designated holes, ensuring a snug fit.
 - Use the set screws to secure the triggerguard in place.

Usage

- With the triggerguard installed, you can access the trigger easily, even while wearing gloves.
- Ensure that the triggerguard remains clean and free of obstructions for optimal performance.
- If you experience any difficulties in using the triggerguard, consult the installation instructions or seek assistance.

Disposal Instructions

When disposing of the triggerguard, follow local regulations for the disposal of metal products. Ensure that the product is disposed of in an environmentally friendly manner. If you are unsure about disposal methods, consult your local waste management authority.

Contact Information for Further Support

For safety inquiries or further assistance regarding the AR15/M16 Enhanced Triggerguard, please reach out to the appropriate support channels. Always refer to the manufacturer's website or contact their customer service for the most accurate information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16 Enhanced Triggerguard. Thank you for your attention to safety!
