

LE MODEL GRIP POD PICATINNY MOUNT 6.25-8.5" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Vertical Forend Grip With Built-In Quick-Deploy Bipod

Vertical grip with quick-deploy bipod legs is an economical alternative for applications where the original GPS-02 Grip Pod's function and benefits are desired, but the steel reinforcements in its legs are excess to requirements. The GPS-LE (Law Enforcement) locks to the bottom accessory rail of your tactical rifle's forend, just like the GPS-02, to provide the same enhanced control during CQB and a stable bipod rest for precise long-range fire. The grip's hand-filling contours and deep grooves provide a solid purchase even when your hands are wet. Hit the large, deeply grooved release button, and a powerful spring deploys the legs instantly. Conveniently placed for thumb activation, the button sits flush with the surrounding surface to prevent accidental deployment. Extended legs provide sufficient elevation for a standard 30-round magazine to clear the ground, and will not snag on brush, vehicle interior, or other gear when retracted. Legs and grip are made of tough, injection-molded polymer; steel cross-bolt with easy-grip thumbscrew locks directly to any MIL-STD 1913 Picatinny rail to ensure a rock-solid fit. Accepts GPRS1 and GPRS2 bolt-on accessory rails, available separately. May be used on many non-AR rifles and light machine guns with forend accessory rails.

Attributes

- Name: [LE MODEL GRIP POD PICATINNY MOUNT 6.25-8.5" BLACK](#)
- Manufacturer: [G.P.S.](#)
- Product no.: 100003633

LE MODEL GRIP POD PICATINNY MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LE Model Grip Pod Picatinny Mount. This product is designed to enhance your shooting experience by providing a stable grip and bipod functionality. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always handle the Grip Pod with care and respect.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Grip Pod for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure the Grip Pod is securely attached to your firearm before use.
- Avoid using the Grip Pod in wet or slippery conditions to prevent loss of grip.
- Do not exceed the weight limits of the Grip Pod; check specifications for maximum load.
- When deploying the bipod legs, ensure that there are no obstructions in the area.
- Always maintain proper firearm safety practices while using the Grip Pod.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Attachment:**
 - Locate the Picatinny rail on your firearm's forend.
 - Align the Grip Pod's attachment point with the rail.
 - Secure the Grip Pod using the steel crossbolt and easygrip thumbscrew.
3. **Check Stability:** Once attached, gently pull on the Grip Pod to ensure it is locked in place.

Usage

1. **Deploying the Bipod:**
 - Press the large, deeply grooved release button with your thumb.
 - Allow the legs to deploy fully until they lock into place.
2. **Adjusting Height:**
 - If needed, adjust the height of the bipod legs to suit your shooting position.
3. **Retracting the Legs:**
 - When finished, press the release button to retract the legs carefully.
 - Ensure the legs are fully retracted before storing or transporting.

Disposal Instructions

- Dispose of the Grip Pod in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for polymer materials where available.

Contact Information for Further Support

For any safety inquiries or support regarding the LE Model Grip Pod Picatinny Mount, please refer to the contact information provided by your retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your LE Model Grip Pod Picatinny Mount. Stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for prioritizing safety in your shooting activities.
