For Fast, Efficient Charging Handle Operation With Either Hand

Heavy-duty latch enables fast, efficient, unimpeded operation of the charging handle with either hand, even when wearing gloves. Extended, off-side design with gently rounded tips won't interfere with sling or catch on other equipment. Installs in place of your rifle's existing charging handle latch using existing spring and detent.

Safety Instruction Guide for AR15/M16 Ambidextrous Charging Handle Latch

Introduction

Thank you for choosing the AR15/M16 Ambidextrous Charging Handle Latch. This product is designed for efficient operation of your rifle's charging handle, allowing for use with either hand. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or using the charging handle latch.
- Always handle firearms with care and respect, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle latch for wear or damage before each use.
- Report any unsafe conditions or product failures to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when operating a firearm.
- Do not attempt to modify the charging handle latch in any way.
- Ensure that your hands are clean and dry when using the latch, especially when wearing gloves.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Do not use the charging handle latch if it appears damaged or malfunctioning.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Latch:** Use appropriate tools to remove the existing charging handle latch from your rifle.
3. **Install New Latch:**
 - Align the new ambidextrous charging handle latch with the existing spring and detent in the charging handle.
 - Carefully insert the new latch into place.
 - Ensure that it is securely fitted and operates smoothly.
4. **Replace Pivot Roll Pin:** Use the included replacement pivot roll pin to secure the latch in place.
5. **Final Check:** Ensure that the latch is functioning correctly before using the firearm.

Usage

- To operate the charging handle, use either hand to pull the latch back smoothly.
- Practice using the latch with both hands to become familiar with its operation.
- Always maintain control of the firearm while using the charging handle latch.

Disposal Instructions

- Dispose of any damaged or nonfunctional components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.
