

DETACHABLE SIDE AMMO CARRIER - VANG COMP SYSTEMS DELUXE REM 870/1100/11-87 DSAC

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Receiver-Mounted Carrier Puts 6 Additional Shells At Your Fingertips

Lightweight shell carrier puts six additional shots within easy reach for fast reloads. The DSAC (Detachable Side Ammo Carrier) features an aluminum backing plate that secures to the receiver with the included replacement trigger pins and features. A hook-and-loop attachment system enables fast installation and removal of the separate shell carrier. Elastic webbing holds shells tight even when wet. Cut-out in mounting plate allows viewing of receiver serial number. Model available for Remington 870/1100/11-87; 12 gauge only. Deluxe models come with two shell carriers; additional shell carriers available separately.

Safety Instruction Guide for Detachable Side Ammo Carrier (DSAC)

Introduction

Thank you for choosing the Detachable Side Ammo Carrier (DSAC) by VANG COMP SYSTEMS. This product is designed to enhance your shooting experience by providing quick access to additional ammunition. It is essential to read and follow these safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms and ammunition with respect, following all local laws and regulations.
- Ensure that the DSAC is compatible with your shotgun model (Remington 870/1100/1187; 12 gauge only).
- Regularly inspect the DSAC for any signs of damage or wear before use.
- Keep the DSAC out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the DSAC with compatible ammunition (12 gauge).
- Ensure that the DSAC is securely attached to the shotgun before use.
- Avoid overloading the DSAC beyond its 6 round capacity.
- Do not expose the DSAC to extreme temperatures or harsh chemicals that may damage the materials.
- If the DSAC becomes wet, ensure that the shells are dried before use to prevent misfires.
- Always follow proper firearm handling procedures when reloading.

Instructions for Installation and Usage

Installation

1. **Prepare the Shotgun:** Ensure that the shotgun is unloaded and the safety is engaged.
2. **Remove Existing Trigger Pins:** Using the appropriate tools, carefully remove the existing trigger pins from the receiver.
3. **Attach the Aluminum Backing Plate:**
 - Align the aluminum backing plate of the DSAC with the receiver.
 - Insert the included stainless steel pins through the backing plate and into the receiver holes.
 - Ensure the backing plate is securely attached and does not move.
4. **Install the Shell Carrier:**
 - Attach the shell carrier to the backing plate using the hookandloop attachment system.
 - Ensure that the shell carrier is firmly in place.

Usage

- Load the DSAC with up to 6 rounds of 12 gauge ammunition.
- Ensure that the elastic webbing holds the shells securely.
- To remove the shell carrier, simply detach it using the hookandloop system.
- Regularly check the condition of the shells and the DSAC during use.

Disposal Instructions

- Dispose of the DSAC in accordance with local regulations regarding electronic waste and firearm

accessories.

- If the DSAC is damaged or no longer usable, consider recycling the aluminum and other materials where possible.
- Do not dispose of the DSAC in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the Detachable Side Ammo Carrier, please refer to the manufacturer's contact information provided in the product packaging.
