- **Special Consumer Focus:** Keep this product out of reach of children and ensure that only responsible adults handle it.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer or retailer from whom you purchased the product.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction or injury.
  - Misuse of the product can result in accidents or damage to your firearm.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before installation.
  - Do not attempt to modify the bolt handle in any way.
  - Use only as intended for compatible models (Benelli M1, M2, AL391 Xtrema, and Beretta Extrema).
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing charging handle from your Benelli or Beretta shotgun.
- Align the SHOTGUN SPEED BOLT HANDLE with the charging handle slot.
- Firmly press the handle into place until it is securely fitted.
- Check for proper installation by ensuring the handle moves freely.

### 2. Usage:

- To clear misfeeds or eject a chambered round, pull back on the bolt handle with a firm grip.
- Practice safe handling at all times, treating your firearm as if it is loaded.
- Always point the muzzle in a safe direction when operating the firearm.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life or is no longer needed, dispose of it in a manner that is environmentally responsible. Check with local waste management authorities for guidance on disposal of metal components.
