# KABAR BLACK FIGHTING/UTILITY KNIFE Safety Instructions

## Introduction

Thank you for choosing the KABAR BLACK FIGHTING/UTILITY KNIFE. This knife is designed for utility and combat use, featuring a partially serrated edge for cutting various materials. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the knife is stored in a safe place, out of reach of children.
- Always handle the knife with care and respect.
- Inspect the knife before each use for any signs of damage or wear.
- Use the knife only for its intended purpose.
- Be aware of your surroundings when using the knife to avoid accidental injury.
- In case of an emergency, seek medical attention immediately.

## Specific Safety Precautions for Use

- Always cut away from your body to minimize the risk of injury.
- Do not use the knife for prying or as a screwdriver.
- Avoid using the knife in wet conditions to prevent slippage.
- Wear appropriate protective gear, such as gloves, when using the knife.
- Keep the blade sharp; a dull blade can be more dangerous than a sharp one.
- If the knife becomes stuck, do not force it; carefully remove it by adjusting your grip.

## Instructions for Installation and Usage

### 1. Unpacking the Knife

- Carefully remove the knife from the packaging.
- Inspect the knife and sheath for any visible damage.

### 2. Using the Knife

- Hold the knife firmly by the handle.
- Use the blade for cutting tasks, ensuring that you maintain control at all times.
- If cutting synthetic materials, use the serrated edge for better efficiency.

### 3. Storing the Knife

- After use, clean the knife with a damp cloth to remove any debris.
- Store the knife in the hard plastic MOLLE compatible sheath provided.
- Ensure the sheath is secured to prevent accidental exposure to the blade.

## Disposal Instructions

- Dispose of the knife responsibly and in accordance with local regulations.
- If the knife is damaged beyond repair, consider recycling the materials where possible.
- Ensure the blade is safely covered or wrapped to prevent injury during disposal.
