

# 1911 PERFORMANCE SLIDE STOP - 10-8 PERFORMANCE 1911 SLIDE STOP .45 CARBON

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

## Re-Engineered For Optimum Performance

Redesigned slide stop is machined from bar stock for strength and contoured for easy, reliable, positive operation. Features a long, wide finger pad with aggressive serrations for excellent traction, and a .200" diameter pin for secure lockup and smooth operation. The engagement surfaces contacting the magazine follower and the slide notch have been modified and optimized for performance, while the rear face is angled so the detent plunger keeps it positively in place under recoil until the magazine is empty.

## Attributes

- Name: [10-8 PERFORMANCE 1911 SLIDE STOP .45 CARBON](#)
- Manufacturer: [10-8 PERFORMANCE](#)
- Product no.: 100007261

# Safety Instruction Guide for 1911 PERFORMANCE SLIDE STOP

## Introduction

Thank you for choosing the 1911 PERFORMANCE SLIDE STOP. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the slide stop is installed correctly to prevent malfunctions.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the slide stop and firearm out of reach of children and unauthorized users.
- Regularly inspect the slide stop for wear and damage, replacing it if necessary.
- Only use the slide stop with compatible 1911 models: Government, Commander, and Officers.
- Be aware of your surroundings when using firearms and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunction.
- Using an incompatible model can cause serious injury.
- Failure to maintain the slide stop may result in operational failures.

- **Avoiding Hazards:**

- Always follow the manufacturer's instructions for installation.
- Do not modify the slide stop or firearm in any way that could impair safety.
- Ensure that the firearm is unloaded before installing or removing the slide stop.
- Use appropriate protective gear when handling firearms, including eye protection.

- **Audience Specific Warnings:**

- This product is intended for use by individuals who are knowledgeable about firearms. It is not suitable for children or inexperienced users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing slide stop from the firearm.
- Align the new slide stop with the slide notch and magazine follower.
- Insert the .200" diameter pin securely to lock the slide stop in place.
- Test the slide stop operation to ensure it functions correctly.

### 2. Usage:

- When operating the firearm, ensure your grip is secure on the slide stop for positive engagement.
- After firing, check that the slide stop functions properly and that the magazine is empty.
- If the slide stop fails to engage or disengage, cease use immediately and consult a qualified

gunsmith.

## **Disposal Instructions**

- Dispose of the slide stop responsibly, following local regulations for metal and firearm parts.
- Do not dispose of the slide stop in regular household waste.
- Consider recycling options for metal components.

## **Contact Information for Further Support**

For safety inquiries and further assistance regarding the 1911 PERFORMANCE SLIDE STOP, please refer to the manufacturer's contact information provided with your product.

Thank you for following these safety guidelines. Your safety and the safety of others is our top priority.
