

# 1911 PERFORMANCE SLIDE STOP - 10-8 PERFORMANCE 1911 SLIDE STOP .45 STAINLESS STEEL

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

## Re-Engineered For Optimum Performance

Redesigned slide stop is machined from bar stock for strength and contoured for easy, reliable, positive operation. Features a long, wide finger pad with aggressive serrations for excellent traction, and a .200" diameter pin for secure lockup and smooth operation. The engagement surfaces contacting the magazine follower and the slide notch have been modified and optimized for performance, while the rear face is angled so the detent plunger keeps it positively in place under recoil until the magazine is empty.

## Attributes

- Name: [10-8 PERFORMANCE 1911 SLIDE STOP .45 STAINLESS STEEL](#)
- Manufacturer: [10-8 PERFORMANCE](#)
- Product no.: 100007262

# Safety Instruction Guide for 1911 PERFORMANCE SLIDE STOP

## Introduction

Thank you for choosing the 1911 PERFORMANCE SLIDE STOP. This product is designed to enhance the performance and reliability of your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure you are familiar with the operation of your firearm before using the slide stop.
- Keep the slide stop and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the slide stop for wear or damage before each use.
- Always wear appropriate eye and ear protection when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the slide stop.
- Avoid using the slide stop if it shows signs of damage or if it does not operate smoothly.
- Use only compatible firearms as specified: Government, Commander, and Officers models.
- Do not modify the slide stop in any way that could affect its performance or safety.
- Be aware of your surroundings when handling firearms to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the old slide stop if applicable, following the manufacturer's instructions.
- Align the new slide stop with the slide notch and magazine follower engagement surfaces.
- Insert the .200" diameter pin securely to lock the slide stop in place.
- Verify that the slide stop operates smoothly and engages properly.

### 2. Usage:

- After installation, test the slide stop function with the firearm unloaded.
- Load the firearm only when you are in a safe environment.
- Operate the slide stop gently to avoid damaging the mechanism.
- Monitor the performance during use; if any malfunction occurs, cease use immediately.

## Disposal Instructions

- Dispose of the slide stop and any related components in accordance with local regulations.
- Do not dispose of the slide stop in general waste; check for local recycling or hazardous waste disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 PERFORMANCE SLIDE STOP, please contact your local

distributor or refer to the manufacturer's website for guidance.

By adhering to these safety instructions, you contribute to a safer environment when using your firearm and its components. Always prioritize safety and responsible usage. Thank you for your attention and cooperation.
