

AR-15 MOE+ GRIP - MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 ODG

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Rubber-Coated Surface Provides Maximum Control In Adverse Environments

Same contours and hard-molded polymer construction as the original MOE Grip. Durable, economical, easy-to-install replacement for factory pistol grip that gives the shooter a solid, secure grasp. Rigid, fully supported one-piece construction from the same reinforced, high-impact polymer as the MIAD grip, with crackle texture on the sides and deep horizontal grooves on frontstrap and backstrap. Curved beavertail similar to the MIAD B2 insert fills the grip-to-receiver junction to help you maintain a comfortable hold and protect the web of your hand during sustained firing. The MOE+ Grip has the addition of an anti-slip overmolded rubber coating for enhanced weapon control in wet conditions or when hand is sweaty. A polymer cap storage secures small items inside the internal compartment, and the MOE+ accepts Magpul MIAD grip cores (sold separately).

Attributes

- Name: [MAGPUL MOE+ GRIP POLYMER FOR AR15/M4 ODG](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100007572
- Mfr. No.: MAG416-ODG
- Colour: O.D. Green
- Material: Polymer
- Weapon type: AR-15
- Delivery weight: 0.122kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 165mm
- UPC: 873750000732

Item details

Made in USA

Safety Instruction Guide for AR15 MOE+ Grip

Introduction

Thank you for choosing the AR15 MOE+ Grip by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grip. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the grip is compatible with your AR15 or M4 platform before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the grip and all firearm components out of reach of children.
- Regularly inspect the grip for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the grip if it shows any cracks, deformities, or other signs of damage.
- Ensure that the grip is securely attached to the firearm before use.
- Avoid using the grip in extreme conditions where its integrity may be compromised.
- Be aware of your surroundings and maintain a safe shooting distance from others.
- Use the grip only as intended and in accordance with manufacturer guidelines.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing factory pistol grip from the firearm.
- Align the AR15 MOE+ Grip with the grip mounting area on the lower receiver.
- Use the provided mounting hardware to securely attach the grip.
- Check for a tight fit and ensure there is no movement.

2. Usage:

- The AR15 MOE+ Grip is designed to provide a secure grasp during shooting.
- The antislip overmolded rubber coating enhances control, especially in wet or sweaty conditions.
- Utilize the polymer cap storage for small items, ensuring it is securely closed during use.
- If you wish to customize your grip further, the MOE+ Grip accepts Magpul MIAD grip cores (sold separately).

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic waste.
- Do not burn the grip or any of its components, as they may release harmful substances.
- If the grip is damaged beyond use, consider recycling it where appropriate.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE+ Grip, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AR15 MOE+ Grip!
