

MOE-K® GRIP FOR AR15/M4 - MAGPUL MOE-K GRIP POLYMER FOR AR-15/M4 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Designed as a drop-in upgrade for the standard AR15/M4 pistol grip, the MOE-K Grip provides an extremely low profile and compact design with a steeper grip angle compared to more traditional styles. The more vertical grip angle is optimized for use on PDW (Personal Defense Weapon) configurations and improves comfort and control on short LOP rifles that bring the primary hand in closer to the shooter's body. The thin profile and lack of backstrap 'beavertail' also makes it an excellent choice for shooters who prefer a smaller grip circumference. FEATURES All mounting hardware is included. One-piece reinforced polymer construction More vertical grip angle than standard A2 grips Minimalist design provides a compact and narrow profile Aggressive TSP texture for positive weapon control Made in the USA SPECS Platform: AR10, AR15, M4, M16, M110, SR25 Grip Angle: 20 degrees Height, receiver to bottom: 3.8 in. Thickness, max: 1.0 in. Weight, w/ hardware: 2.4 oz. NOTE: Will also fit most 7.62 NATO AR10/SR25 style of rifle

MOEK® Grip Safety Instruction Guide

Introduction

Thank you for purchasing the MOEK® Grip for AR15/M4. This product is designed to enhance your shooting experience by providing a comfortable and secure grip. To ensure your safety and the optimal performance of the grip, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the grip is compatible with your firearm model before installation.
- Always handle firearms safely and responsibly.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Safety:

- Use the provided mounting hardware to secure the grip properly.
- Ensure that the grip is firmly attached before using the firearm.

• Handling Safety:

- Always treat the firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.

• Shooting Safety:

- Use appropriate eye and ear protection while shooting.
- Follow all local laws and regulations regarding firearm use and handling.

• Storage Safety:

- Store the firearm in a secure location, preferably in a locked safe.
- Ensure that the grip and firearm are stored separately from ammunition.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools: a screwdriver and the provided mounting hardware.
- Remove the existing grip from your firearm by unscrewing it.
- Align the MOEK Grip with the lower receiver of your firearm.
- Secure the grip using the provided screws, ensuring it is tightly fastened.
- Check for stability by gently pulling on the grip.

2. Usage:

- Hold the firearm firmly with the MOEK Grip, ensuring your fingers are positioned correctly.
- Adjust your grip angle if necessary for comfort and control.

- Maintain a proper shooting stance to enhance stability and accuracy.

Disposal Instructions

- Dispose of the MOEK Grip according to local regulations.
- Do not dispose of the grip in regular household waste.
- If the grip is damaged beyond use, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns about the MOEK Grip, please reach out to the manufacturer. Ensure you have the product information ready for reference.

By following these guidelines and instructions, you can ensure the safe and effective use of the MOEK Grip for AR15/M4. Thank you for prioritizing safety and responsible firearm handling.
