Safety Instruction Guide for .920 BULL THREAD PROTECTOR 5/824

Introduction

Thank you for choosing the .920 Bull Thread Protector from Yankee Hill Machine Co., Inc. This product is designed to protect your rifle's muzzle threads and crown from damage. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the thread protector is compatible with your rifle's muzzle thread size (5/824).
- Inspect the thread protector for any signs of damage or wear before each use.
- Keep the thread protector out of reach of children and vulnerable individuals.
- Do not use the thread protector for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure that your rifle is unloaded before installing or removing the thread protector.
- Use caution when handling the thread protector to avoid injury from sharp edges.
- Do not overtighten the thread protector, as this may cause damage to the threads.
- If you experience difficulty in installation or removal, do not force it. Seek assistance if needed.
- Store the thread protector in a dry place to prevent rust and corrosion.

Instructions for Installation and Usage

1. Preparation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Clean the muzzle threads to remove any debris or dirt.

2. Installation

- Align the thread protector with the muzzle threads of your rifle.
- Gently screw the thread protector onto the threads by turning it clockwise.
- Use the knurled exterior to grip and turn the protector for a secure fit.
- Ensure the protector is snug but do not overtighten.

3. Removal

- To remove the thread protector, grip the knurled exterior firmly.
- Turn the protector counterclockwise to unscrew it from the muzzle threads.
- If the protector is stuck, apply a small amount of lubricant to the threads and allow it to sit for a few minutes before attempting to remove it again.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling it if possible.
- Do not throw the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the manufacturer directly. Ensure to have your product details handy for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your .920 Bull Thread Protector!
