# Safety Instruction Guide for Pistol Thread Protectors

## Introduction

Thank you for purchasing the Pistol Thread Protectors from Yankee Hill Machine Co., Inc. This guide contains important safety instructions, usage guidelines, and contact information to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to protect the threads of your pistol barrel.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- In case of any safety concerns, report them to the relevant authorities.

## Specific Safety Precautions for Use

- **Thread Compatibility:** Ensure that the thread protector matches the thread specifications of your pistol barrel (.578"28, .570 OD, etc.).
- **Installation:** Always ensure that the thread protector is securely installed before handling the firearm.
- **Muzzle Device Changes:** When switching muzzle devices, always use the thread protector to prevent damage to the threads.
- **Handling:** Avoid applying excessive force when installing or removing the thread protector to prevent stripping the threads.
- **Storage:** Store the thread protector in a dry place to prevent corrosion.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, if required (e.g., wrench or pliers for grip).

### 2. Installation:

- Align the thread protector with the barrel threads.
- Gently screw the protector onto the barrel by hand until it is snug.
- If necessary, use a wrench or pliers, but do not overtighten.

### 3. Removal:

- To remove the thread protector, turn it counterclockwise by hand.
- If it is stuck, use a wrench or pliers, ensuring not to apply excessive force.

### 4. PostUse:

- After use, inspect the thread protector for any signs of wear or damage.
- Clean the protector if necessary, and store it in a safe location.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of in regular household waste.
- If the product is damaged or no longer usable, consider recycling if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Pistol Thread Protectors, please refer to the contact information provided by the manufacturer or authorized retailers.

Thank you for prioritizing safety in your use of the Pistol Thread Protectors.
