14.5" M4 CARBINE 5.56 BARREL, 1-7 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Cold Hammer Forged For Superb Accuracy; Chrome-Lined For Long Life

These barrels are cold hammer-forged from high-grade chromium-molybdenum-vanadium alloy steel for exceptional strength and accuracy potential—like a high-end match rifle barrel. Magnetic particle inspection (MPI) ensures there are no internal flaws in the metal. Durable manganese phosphate finish give excellent resistance to surface wear. Barrel extension has M4-type feed ramps. Choose caliber, profile and length. 5.56x45 barrels come in 10.5", 14.5" and 16" lengths, with the shorter barrels featuring carbine length gas system. Barrels are available in lightweight or government contours, and M4 for the 14.5" length. OD at gas block is .750".

Safety Instructions for AR15/M16 5.56 Hammer Forged Barrels

Introduction

Thank you for choosing the AR15/M16 5.56 Hammer Forged Barrels by Daniel Defense. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read and follow these guidelines carefully to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the barrel by following the manufacturer's instructions. This product is designed for nonfood use and adheres to EU safety regulations.
- **Enhanced Recalls:** Be aware of standardized recall notices. If you receive any notification regarding recalls, please follow the instructions provided.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is intended for use by responsible adults only.
- **EU Contact Point:** For safety inquiries, consult the EU-based contact provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling or installation may lead to accidents or injuries.
 - Ensure that the barrel is compatible with your firearm model.
- **Avoiding Hazards:**
 - Always use appropriate safety gear, such as eye protection and gloves.
 - Do not use the barrel if it appears damaged or defective.
 - Ensure the firearm is unloaded before installation or maintenance.
 - Follow all local laws and regulations regarding firearm use and modifications.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you have the necessary tools and equipment for installation.
 - Follow the firearm manufacturer's instructions for barrel installation.
 - Secure the barrel firmly to prevent movement during use.
- **Usage:**
 - Always check the barrel for obstructions before firing.
 - Use only compatible ammunition (5.56 mm NATO) as specified.
 - Maintain a safe distance from others while firing.
 - Regularly inspect the barrel for signs of wear or damage.
- **Cleaning and Maintenance:**
 - Clean the barrel regularly to ensure optimal performance.
 - Use cleaning products specifically designed for firearm maintenance.
 - Store the barrel in a dry, secure location when not in use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.

- Check with local authorities for specific disposal guidelines for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 5.56 Hammer Forged Barrels, please refer to the manufacturer's contact information provided with your product. Ensure you keep this manual for future reference.

Thank you for prioritizing safety while using your firearm components. Following these guidelines will help ensure a safe and enjoyable experience.
