

# XD ULTIMATE MATCH TARGET TRIGGER KITS - POWDER RIVER PRECISION INC XD 9/40 ULTIMATE MATCH TARGET EASY FIT TRIGGER KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The kit includes Powder River Precision's famous striker safety lever, to remove the long trigger pre-travel on the XD trigger. Also included is a reduced power trigger and sear springs, to lower the pull weight. The included new sear has a patented angle to help lighten the pull and give a smooth crisp break. The trigger is made of tough, light weight polymer that helps speed up the reset. It also has an integral over travel stop on the back of the trigger. Using this method of over travel stop removes added stress on the trigger bar. When installed correctly, the kit will give you a short crisp trigger pull (about 3.5-4lbs) with a fast reset and cut the total trigger pull length by about 1/2. The kit requires minor fitting and includes gunsmith installation instructions. Fits all XD models (EXCEPT the XD 45 thumb safety model OR new model XDs). This trigger is a Springfield Armory OEM part available on production XD and XDM pistols.

## Attributes

- Name: [POWDER RIVER PRECISION INC XD 9/40 ULTIMATE MATCH TARGET EASY FIT TRIGGER KIT](#)
- Manufacturer: [POWDER RIVER PRECISION INC](#)
- Product no.: 100009890
- Mfr. No.: PRP-042-9-40
- Finish: Black
- Model: XD
- Style: Competition
- Weapon type: Springfield
- Delivery weight: 0.05kg
- Shipping height: 15mm
- Shipping width: 109mm
- Shipping length: 191mm
- UPC: 686461783067

## Item details

Made in USA

US export classification: 0A501.c

# **XD ULTIMATE MATCH TARGET TRIGGER KITS**

## **Safety Instruction Guide**

### **Introduction**

Thank you for choosing the XD Ultimate Match Target Trigger Kit by Powder River Precision Inc. This guide provides essential safety instructions to ensure the safe and effective use of your trigger kit. Please read this document carefully before installation and usage.

### **General Safety Guidelines**

- Ensure that you are familiar with the operation of your firearm before installing the trigger kit.
- Always follow the firearm manufacturer's safety guidelines and recommendations.
- Use the trigger kit only on compatible XD models (excluding the XD 45 thumb safety model or new model XDs).
- Keep the trigger kit and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Always ensure that your firearm is unloaded before attempting any modifications.
- Wear appropriate safety gear, such as safety glasses and gloves, during installation.
- Avoid using excessive force when fitting the trigger kit to prevent damage to your firearm.
- Do not modify or alter the trigger kit components beyond the manufacturer's specifications.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

### **Instructions for Installation and Usage**

#### **1. Preparation**

- Gather all necessary tools and components included in the trigger kit.
- Ensure a clean and welllit workspace to perform the installation.

#### **2. Installation Steps**

- Remove the firearm's slide and ensure that the chamber is empty.
- Follow the included gunsmith installation instructions carefully.
- Install the striker safety lever to eliminate long trigger pretravel.
- Replace the existing trigger and sear springs with the reduced power springs provided in the kit.
- Install the new sear, ensuring that it is positioned correctly to achieve the patented angle for a lighter pull.
- Attach the trigger made of tough, lightweight polymer, ensuring it is securely in place.
- Verify that the integral over travel stop is functioning correctly to prevent added stress on the trigger bar.

#### **3. Testing**

- After installation, conduct a function test to ensure the trigger operates smoothly and safely.
- Check the trigger pull weight, which should be approximately 3.54 lbs.
- Confirm that the trigger reset is fast and that the total trigger pull length has been reduced by about half.

#### **4. Usage**

- Once installed, use the trigger kit as intended with your XD model firearm.
- Regularly inspect the trigger kit for wear and ensure that all components are functioning correctly.

### **Disposal Instructions**

- Dispose of any old or unused trigger components in accordance with local regulations.
- Do not throw away the trigger kit in regular household waste. Instead, contact local authorities for proper disposal methods.

### **Contact Information for Further Support**

For any inquiries regarding safety or installation, please refer to the manufacturer or your local firearms expert for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your XD Ultimate Match Target Trigger Kit. Thank you for your attention to safety!
