

# **ENHANCED SELF-LEVELING FOLLOWER"! - USGI 5.56X45MM FOR AR-15/M16 - MAGPUL ENHANCED SELF-LEVELING FOLLOWER 5.56X45 3/PACK YELLOW**

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Followers](#)

Magpul was founded in 1999 with the intent of developing a simple device to aid in the manipulation of rifle magazines while reloading under stress. The company's name comes from this original product called the Magpul. Over the last seventeen years Magpul has continued to grow and develop using much the same mission and process with a focus on innovation, simplicity, and efficiency. The Magpul Enhanced Self-Leveling Follower is a drop in replacement for the current issue aluminum USGI 30-round magazine follower. Featuring a patent pending 4-way anti-tilt design, the Enhanced Self-Leveling Follower is made from a non-hydroscopic and self-lubricating polymer.

FEATURES & SPECS Manufacturer Number: MAG110-FOL Self Leveling Follower 4-way anti-tilt Self-lubricating polymer 3 Pack Made in U.S.A. NOTE: Will not fit the latest generation USGI spring that is utilized with the tan or blue (EPM) follower. Also not optimized for thin-walled steel-bodied magazines.

# Enhanced SelfLeveling Follower Safety Instructions

## Introduction

Thank you for choosing the Magpul Enhanced SelfLeveling Follower. This product is designed to improve the functionality of your AR15/M16 magazine system. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only with compatible magazines.
- Regularly inspect the Enhanced SelfLeveling Follower for wear or damage before use.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Only use the Enhanced SelfLeveling Follower with USGI 30round aluminum magazines.
- This product is not compatible with the latest generation USGI spring used with tan or blue (EPM) followers.
- Avoid using the follower in thinwalled steelbodied magazines, as it may not perform optimally.
- Be cautious of potential hazards when reloading under stress. Ensure a clear and safe environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the magazine is unloaded and free of ammunition.
- Remove the existing follower from the magazine.
- Insert the Enhanced SelfLeveling Follower into the magazine, ensuring it is seated properly.
- Replace the magazine spring and base plate securely.

### 2. Usage:

- When using the magazine, ensure it is properly seated in the firearm.
- Monitor the follower's performance during use. If you notice any irregularities, stop using the magazine immediately.
- Always follow safe firearm handling practices when reloading.

## Disposal Instructions

- Dispose of the Enhanced SelfLeveling Follower in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Enhanced SelfLeveling Follower, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Magpul Enhanced SelfLeveling Follower. Always prioritize safety and be aware of your surroundings when handling firearms and related accessories. Thank you for your attention to these guidelines.
