Safety Instruction Guide for Lee Cutter & Lock Stud

Introduction

Thank you for purchasing the Lee Cutter & Lock Stud. This product is designed to help you trim cases effectively using the Case Length Gauge & Shell Holder. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the product is suitable for your specific application.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to your local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Lee Cutter & Lock Stud only for its intended purpose.
- Do not modify the product in any way.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that the Cutter and Lock Stud is securely fitted to the drill before use.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Be cautious of sharp edges while handling the Cutter.
- Do not exceed the recommended trimming length set to SAMMI Specs.
- If using with an electric drill, ensure that the drill is in good working condition and properly maintained.

Instructions for Installation and Usage

1. Installation:

- Ensure the drill is unplugged before installation.
- Insert the Cutter and Lock Stud into the drill's chuck.
- Tighten the chuck securely to avoid slippage during operation.

2. Usage:

- Set the drill to the appropriate speed for trimming.
- Hold the case firmly against the Case Length Gauge & Shell Holder.
- Activate the drill and gently feed the case into the Cutter.
- Allow the Cutter to trim the case to the desired length without forcing it.
- Once completed, deactivate the drill and remove the case carefully.
- Clean the Cutter and Lock Stud after use to maintain performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Lee Cutter & Lock Stud, please refer to the manufacturer's customer service resources. Ensure you have the product information on hand for efficient assistance.

Thank you for prioritizing safety while using the Lee Cutter & Lock Stud. Enjoy your trimming experience!
