POWDER FUNNEL LEE PRECISION Safety Instructions

Introduction

Thank you for choosing the POWDER FUNNEL LEE PRECISION. This funnel is designed to assist in the safe and efficient handling of powder for various calibers ranging from 22 to 45. It is crucial to follow the safety instructions outlined in this guide to ensure safe use and compliance with EU regulations.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Always inspect the funnel before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Store the funnel in a safe location when not in use to prevent accidental injury.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the funnel with any materials other than those specified (powder for calibers 22 to 45).
- Avoid using the funnel in a crowded or distracting environment to maintain focus.
- Wear appropriate safety gear, such as safety glasses, when using the funnel.
- Ensure that the workspace is clean and free from any flammable materials.
- Never attempt to modify or repair the funnel yourself; consult a professional if repairs are needed.

Instructions for Installation and Usage

1. Setup:

- Place the funnel on a stable, flat surface.
- Ensure that the funnel is securely positioned to prevent tipping during use.

2. Using the Funnel:

- Align the funnel with the case you are filling.
- Pour the powder slowly into the funnel to prevent spills.
- Ensure that the powder flows smoothly into the case without obstruction.
- After use, clean the funnel thoroughly to remove any residue.

3. PostUse Care:

- Store the funnel in a dry place away from direct sunlight.
- Regularly inspect the funnel for any signs of wear or damage.

Disposal Instructions

- Dispose of the funnel according to local regulations.
- If the funnel is damaged beyond repair, ensure it is disposed of safely to prevent environmental harm.
- Recycle materials where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the POWDER FUNNEL LEE PRECISION, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your POWDER FUNNEL LEE PRECISION. Thank you for your attention to safety.
