## Introduction

Thank you for choosing the HOLLOW POINT 458 CALIBER (0.458") HOLLOW POINT BULLETS by SPEER. This product is designed for use in informal practice at the range. To ensure your safety and the safety of others, please read and follow these guidelines carefully.

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE), including eye and ear protection, when handling or shooting.
- Ensure that your firearm is compatible with 458 caliber bullets before use.
- Follow all local laws and regulations regarding the use of ammunition.

## Specific Safety Precautions for Use

### • Handling:

- Do not handle bullets with wet or greasy hands.
- Inspect bullets for any signs of damage before use.

### • Loading:

- Follow the manufacturer's instructions for loading bullets into your firearm.
- Ensure that the firearm is pointed in a safe direction during loading.

### • Shooting:

- Always shoot at a designated shooting range or safe area.
- Be aware of your surroundings and ensure there is a proper backstop.

### • Transporting:

- Transport bullets in a secure container to prevent accidental discharge.
- Keep bullets separated from other items in your bag or vehicle.

## Instructions for Installation and Usage

### • Installation:

- Ensure your firearm is unloaded before installing bullets.
- Follow the specific instructions for your firearm model regarding bullet installation.

### • Usage:

- Load one bullet at a time into the chamber.
- Keep your finger off the trigger until you are ready to shoot.
- Aim only at targets and ensure that the range is clear before firing.

- After shooting, inspect the firearm and bullets for any issues before reloading.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not throw bullets in regular trash or dispose of them in water sources.
- Contact local authorities for information on proper disposal methods.
