

# AR-15/M16 223 WYLDE CHROME LINED BARRELS - CRITERION BARRELS INC 18" HBAR CONTOUR, RIFLE GAS SYSTEM, 223 WYLDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Chrome-lined, button rifled barrels feature 223 Wylde chambers and 1-8" twist for enhanced accuracy potential with both .223 and 5.56 NATO ammunition. Unique chrome-lining process maintains uniformity throughout the bore and hand-lapping helps ensure smooth, consistent lands and grooves. Gas ports are optimized for barrel length and chambering to help ensure reliable cycling, and are available for carbine, mid-length, and rifle gas systems. Also features 1/2"-28 tpi muzzle threads for standard comps and flash hiders, plus M4 feed ramps on barrel extension to aid in smooth, reliable feeding. Barrels now feature a dimple opposite the gas port, so screw-on gas blocks do not shift during firing. Hybrid contour barrels have a reduced and tapered contour under the handguard to save weight. HBAR contour barrels feature .870" diameter under the handguard for rigidity and extra heat absorption.

## Attributes

- Name: [CRITERION BARRELS INC 18" HBAR CONTOUR, RIFLE GAS SYSTEM, 223 WYLDE](#)
- Manufacturer: [CRITERION BARRELS INC](#)
- Product no.: 100010411
- Mfr. No.: 15180-HB12
- Barrel Weight: 2.65 lbs
- Cartridge: 223 Wylde
- Contour: Heavy
- Finish: Parkerized
- Gas System Length: Rifle
- Length: 18"
- Muzzle: .720
- Muzzle Threads: 1/2-28
- Twist: 1-8
- Weapon type: AR-15
- Delivery weight: 1.202kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 533mm

# Safety Instruction Guide for AR15/M16 223 Wylde Chrome Lined Barrels

## Introduction

Thank you for choosing the AR15/M16 223 Wylde Chrome Lined Barrels by Criterion Barrels Inc. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before handling or using the product.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and their operation.
- Always treat the barrel as if it is loaded, even when it is not.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm components and usage.
- Always wear appropriate eye and ear protection when using firearms equipped with this barrel.

## Specific Safety Precautions for Use

- Use only .223 Wylde, .223 Remington, or 5.56 NATO ammunition with this barrel.
- Ensure that the barrel is properly installed on a compatible firearm before use.
- Be aware of the gas system length (Rifle) and ensure compatibility with your firearm.
- Avoid using reloaded ammunition that may not meet safety standards.
- Do not modify or alter the barrel in any way that could affect its performance or safety.
- Always ensure the muzzle is pointed in a safe direction when handling the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Clean the barrel extension area of the receiver to remove any debris or old lubricant.
- Align the new barrel with the receiver, ensuring that the M4 feed ramps are properly seated.
- Secure the barrel using the appropriate barrel nut, tightening it to the manufacturer's specifications.
- Install the gas block at the appropriate location, ensuring it is properly aligned with the gas port.
- Attach the handguard and ensure all components are securely fastened.

### 2. Usage:

- Load the firearm with the appropriate ammunition.
- Always check the chamber to ensure it is clear before loading.
- When firing, maintain a proper grip and stance to control recoil.
- After use, ensure the firearm is unloaded and clean the barrel as per the manufacturer's guidelines.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.

- Contact local authorities or waste management facilities for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please refer to the manufacturer's contact resources.

Thank you for prioritizing safety and compliance while using the AR15/M16 223 Wylde Chrome Lined Barrels. Your attention to these guidelines will help ensure a safe and enjoyable experience.
