

# HOT-COR 30 CALIBER (0.308") SPITZER BULLETS - SPEER 30 CALIBER (0.308") 200GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance – and superb accuracy potential.

## Attributes

- Name: [SPEER 30 CALIBER \(0.308"\) 200GR SPITZER 50/BOX](#)
- Manufacturer: [SPEER](#)

# Safety Instruction Guide for HOTCOR 30 Caliber (0.308") Spitzer Bullets

## Introduction

Thank you for choosing HOTCOR 30 Caliber (0.308") Spitzer Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding ammunition and firearms.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Inspect bullets before use for any signs of damage or defects.
- Do not attempt to modify or disassemble the bullets.
- Avoid exposing bullets to extreme temperatures or conditions that may affect their performance.
- Always follow the manufacturer's loading recommendations and guidelines.
- Be aware of your surroundings and ensure a safe shooting environment when using the bullets.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including your firearm, bullet loader, and safety gear.
- Ensure that your firearm is clean and in good working condition.

### 2. Loading Bullets:

- Carefully follow the loading instructions provided by the firearm manufacturer.
- Load the bullets into the magazine or chamber as specified, ensuring they are seated properly.

### 3. Firing:

- Always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.

### 4. PostUsage:

- After use, safely unload your firearm following the manufacturer's instructions.
- Store any unused bullets securely and out of reach.

## Disposal Instructions

- Dispose of any unused or defective bullets in accordance with local regulations.

- Do not throw bullets in regular trash or recycling bins.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding this product, please refer to the manufacturer's website or designated contact point within the EU.

Thank you for prioritizing safety while using HOTCOR 30 Caliber (0.308") Spitzer Bullets. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
