

# **HOT-COR 30 CALIBER (0.308") SPITZER BULLETS - SPEER 30 CALIBER (0.308") 150GR SPITZER 100/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance - and superb accuracy potential.

## **Attributes**

- Name: [SPEER 30 CALIBER \(0.308"\) 150GR SPITZER 100/BOX](#)
- Manufacturer: [SPEER](#)

# Safety Instruction Guide for HOTCOR 30 CALIBER (0.308") SPITZER BULLETS

## Introduction

Thank you for choosing the HOTCOR 30 CALIBER (0.308") SPITZER BULLETS. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the bullets to understand the risks and precautions involved.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the purchase, possession, and use of ammunition.
- Always store ammunition in a cool, dry place, away from children and unauthorized individuals.
- Regularly check for recalls or safety notices related to this product on the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle bullets with care to avoid accidental discharge.
- Use appropriate protective gear, including eye protection and hearing protection, when using firearms.
- Ensure that your firearm is compatible with 30 caliber (0.308") bullets before use.
- Do not attempt to modify or alter the bullets in any way.
- If you notice any damage to the bullets or packaging, do not use them and report the issue immediately.

## Instructions for Installation and Usage

### • Loading the Bullets:

1. Ensure that the firearm is unloaded before loading bullets.
2. Follow the manufacturer's instructions for your specific firearm model when loading bullets.
3. Always check that the bullet is seated properly in the cartridge case.

### • Shooting:

1. Always use the bullets in a safe and controlled environment, such as a shooting range.
2. Ensure that the area is clear of people and obstacles before firing.
3. Maintain proper shooting stance and grip to ensure control of the firearm.

### • Cleaning and Maintenance:

1. Clean your firearm regularly according to the manufacturer's recommendations.
2. Inspect the bullets for signs of corrosion or damage before use.
3. Store any unused bullets in their original packaging to protect them from environmental factors.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point provided by the manufacturer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and usage of ammunition.
