

AR-15/M16 223 WYLDE CHROME LINED BARRELS - CRITERION BARRELS INC 20" HBAR CONTOUR, RIFLE GAS SYSTEM, 223 WYLDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Chrome-lined, button rifled barrels feature 223 Wylde chambers and 1-8" twist for enhanced accuracy potential with both .223 and 5.56 NATO ammunition. Unique chrome-lining process maintains uniformity throughout the bore and hand-lapping helps ensure smooth, consistent lands and grooves. Gas ports are optimized for barrel length and chambering to help ensure reliable cycling, and are available for carbine, mid-length, and rifle gas systems. Also features 1/2"-28 tpi muzzle threads for standard comps and flash hiders, plus M4 feed ramps on barrel extension to aid in smooth, reliable feeding. Barrels now feature a dimple opposite the gas port, so screw-on gas blocks do not shift during firing. Hybrid contour barrels have a reduced and tapered contour under the handguard to save weight. HBAR contour barrels feature .870" diameter under the handguard for rigidity and extra heat absorption.

Attributes

- Name: [CRITERION BARRELS INC 20" HBAR CONTOUR, RIFLE GAS SYSTEM, 223 WYLDE](#)
- Manufacturer: [CRITERION BARRELS INC](#)
- Product no.: 100010532

Safety Instruction Guide for AR15/M16 223 Wylde Chrome Lined Barrels

Introduction

Thank you for choosing the AR15/M16 223 Wylde Chrome Lined Barrels from Criterion Barrels Inc. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related components with care and respect.
- Keep all firearms unloaded until ready to use.
- Store the barrel and all firearm components in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Follow all manufacturer instructions for installation and usage to avoid potential hazards.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the barrel is compatible with your firearm before installation.
- Do not exceed the recommended ammunition specifications. Use only .223 Wylde, .223 Remington, and 5.56 NATO cartridges.
- Avoid using damaged or worn ammunition, as this may lead to misfires or other dangerous situations.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.
- If a malfunction occurs, keep the firearm pointed in a safe direction and follow proper clearing procedures.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Clean the barrel extension area to remove any debris or old lubricant.
- Align the new barrel with the receiver and ensure it is properly seated.
- Secure the barrel using the appropriate torque specifications as outlined by the manufacturer.
- Install the gas block and ensure it is correctly positioned over the gas port.
- Attach the muzzle device (compensator or flash hider) to the muzzle threads (1/2"28 tpi).

2. Usage:

- Before firing, ensure the firearm is loaded with the correct ammunition.
- Always check the barrel for obstructions before each use.
- Fire the firearm only in designated shooting areas and in accordance with local laws.
- After use, clean the barrel and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15/M16 223 Wylde Chrome Lined Barrels, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15/M16 223 Wylde Chrome Lined Barrels. Thank you for your attention to safety.
