

# SUPER BRUSH BORE TIPS - SWAB-ITS BY SUPERBRUSH SWAB-ITS BORE TIPS FIT .243/6MM

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Reusable Foam Swabs For Precision Cleaning

Bore Tips are a convenient, all-in-one replacement for traditional jags and patches. They feature plastic adapters that fit 8-32 female threads commonly found on cleaning rods, and are reusable up to five times. Bore Tips tightly fit the bore for thorough cleaning, and the spongy foam absorbs solvents and oils for uniform application. Stands up to most cleaning chemicals. Note: .45 caliber Bore Tips will not fit .44 caliber barrels. Pair up with J-B Bore Cleaning Compound for a very easy clean.

# Safety Instructions for SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH

## Introduction

Thank you for choosing the SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. These innovative bore tips are designed to provide an efficient and effective cleaning solution for your firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the bore tips are compatible with your firearm caliber.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhalation of cleaning solvents.
- Avoid contact with skin and eyes; wear protective gloves and goggles if necessary.
- Do not use the bore tips with incompatible cleaning chemicals.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not exceed the recommended reuse limit of five times per bore tip.
- Dispose of used bore tips responsibly according to local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies including the bore tips, cleaning rod, and solvent.

### 2. Installation:

- Attach the bore tip to the cleaning rod by screwing it into the 832 female thread.
- Ensure it is securely fastened before proceeding.

### 3. Usage:

- Apply an appropriate cleaning solvent to the bore tip.
- Insert the bore tip into the bore of the firearm.
- Move the cleaning rod back and forth gently to clean the bore thoroughly.
- After use, remove the bore tip and clean it according to disposal instructions.

### 4. After Cleaning:

- Inspect the bore tip for any damage or wear.
- Store the bore tips in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of used bore tips in accordance with local waste disposal regulations.
- Do not dispose of bore tips in regular household waste if they are contaminated with cleaning solvents.
- Check with local authorities for specific disposal guidelines related to hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries, please refer to the manufacturer's website or contact your local retailer for assistance. It is important to have access to support should you have questions or concerns regarding the use of this product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SUPER BRUSH BORE TIPS SWABITS BY SUPERBRUSH. Thank you for your attention to safety and responsible firearm maintenance.
