# PRS Extended Buttpad Safety Instructions

## Introduction

Thank you for choosing the PRS Extended Rubber Buttpad. This product is designed to enhance your shooting experience by providing increased comfort and reduced recoil. To ensure safe and effective use of the buttpad, please read and follow the instructions and safety guidelines outlined in this document.

## General Safety Guidelines

- Ensure the buttpad is compatible with your PRS AR15/M16 or ARstyle .308 stock before installation.
- Always inspect the buttpad for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the buttpad if it shows any signs of damage, such as cracks or tears.
- Ensure that the buttpad is securely mounted to the stock before use to prevent it from slipping or detaching.
- Avoid using excessive force when installing or adjusting the buttpad to prevent injury or damage.
- If you experience discomfort while using the buttpad, discontinue use and consult a professional.
- Follow all local laws and regulations regarding firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a screwdriver and any hardware required for installation.
- Ensure you are working in a clean, dry area.

### 2. Removing the Old Buttpad:

- Locate the screws or fasteners holding the factory buttpad in place.
- Carefully unscrew and remove the factory buttpad from the stock.

### 3. Installing the PRS Extended Buttpad:

- Align the PRS Extended Buttpad with the mounting points on the stock.
- Use the existing hardware to secure the buttpad in place.
- Tighten the screws or fasteners firmly, but avoid overtightening which may damage the buttpad or stock.

### 4. Final Inspection:

- After installation, check that the buttpad is securely fastened and does not move.
- Ensure the antislip face is facing outward for optimal performance.

### 5. Usage:

- When using your firearm, maintain a proper grip and stance.
- Regularly check the buttpad during use for any signs of loosening or damage.

## **Disposal Instructions**

- Dispose of the buttpad in accordance with local regulations for rubber products.
- Do not incinerate the buttpad as it may release harmful substances.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the PRS Extended Rubber Buttpad, please refer to the manufacturer's contact information, which can typically be found on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the PRS Extended Buttpad!
