# Safety Instruction Guide for AR15 Gas Tube Black

## Introduction

Thank you for choosing the AR15 Gas Tube Black from Yankee Hill Machine Co., Inc. This product is designed for use with your black rifle or carbine length AR. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that all firearm components are properly maintained and inspected regularly.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep this product out of the reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using this product.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the gas tube.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, during installation.
- Do not attempt to modify or alter the gas tube or any associated components.
- Ensure that the gas tube is compatible with your specific AR15 model and gas system length.
- Regularly check for signs of wear or damage on the gas tube and replace it if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a gas tube roll pin, hammer, and punch.
- Ensure that the workspace is clean and well lit.

### 2. Installation:

- Ensure that the firearm is completely unloaded and safe.
- Remove the existing gas tube if applicable.
- Align the new gas tube with the gas block and insert it carefully.
- Use the gas tube roll pin to secure the gas tube in place.
- Ensure that the gas tube is seated properly and does not obstruct any moving parts.

### 3. Usage:

- After installation, perform a function check to ensure that the gas system operates correctly.
- Regularly inspect the gas tube for any signs of damage or wear during routine maintenance.
- If you experience any issues during use, discontinue use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the gas tube in accordance with local regulations regarding metal waste.
- Do not dispose of the gas tube in regular household waste.
- If the product becomes damaged or is no longer usable, ensure it is recycled or disposed of properly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Gas Tube Black, please refer to the manufacturer's official website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
