# BURRIS FASTFIRE MOUNT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Burris FastFire Mount by American Defense Manufacturing. This product is designed for secure and reliable mounting of the Burris FastFire mini red dot optic. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Regularly check the mount for signs of wear or damage.
- Always verify that the mount is securely attached before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may result in the optic detaching during use.
- Failure to secure the mount can lead to accidents or injuries.

### • Avoiding Hazards:

- Always use the QD Auto Lock Lever system as instructed.
- Ensure the mount is compatible with your rail system.
- Do not use the product if it shows signs of damage or malfunction.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the necessary tools: a flat blade screwdriver.
- Align the Burris FastFire mount with the Picatinny rail.
- Use the QD Auto Lock Lever system to secure the mount.
- Adjust the lever to lock it either to the front or rear, as needed.
- Confirm that the mount is secure by attempting to move it by hand.

### 2. Usage:

- Before each use, check the mount for tightness and stability.
- If adjustment is needed, use your finger or a flat blade screwdriver to make small changes.
- Do not overtighten the mount, as this may cause damage to the rail or mount.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where facilities exist.

## **Contact Information for Further Support**

For any questions or concerns regarding the Burris FastFire Mount, please refer to the manufacturer's website or contact their customer support team.

By following these safety instructions, you can ensure the safe and effective use of your Burris FastFire Mount. Thank you for your attention to these important guidelines.
