AR15/M16 NiBX® Firing Pin Safety Instruction Guide

Introduction

Thank you for choosing the AR15/M16 NiBX® Firing Pin from WMD GUNS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this firing pin.
- Store the firing pin in a secure location, away from children and unauthorized users.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Regularly inspect the firing pin for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the NiBX® firing pin in standard AR15 firearms.
- Ensure that the firearm is unloaded before installing or replacing the firing pin.
- Avoid using excessive force during installation to prevent damage to the firing pin or firearm.
- Do not modify the firing pin or firearm in any way that could compromise safety.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch tool and hammer.

2. Installation Steps

- Remove the bolt carrier group from the firearm.
- Locate the existing firing pin and carefully remove it using the punch tool.
- Insert the new NiBX® firing pin into the bolt carrier group, ensuring it is aligned properly.
- Secure the firing pin in place and reassemble the bolt carrier group.
- Reinstall the bolt carrier group into the firearm.

3. Usage

- Always perform a function check after installation to ensure proper operation.
- Follow the manufacturer's guidelines for operation of your AR15.
- Maintain regular cleaning and maintenance of your firearm to ensure optimal performance.

Disposal Instructions

- Dispose of the firing pin in accordance with local regulations regarding hazardous materials.
- Do not dispose of the firing pin in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 NiBX® Firing Pin, please refer to the manufacturer's website or customer support resources.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your careful attention to these guidelines will help ensure a safe and enjoyable experience with your firearm.
