

# AR-15/M16 ADJUSTABLE GAS BLOCK - SEEKINS PRECISION

## AR-15/M16 ADJUSTABLE GAS BLOCK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

### Lets You Adjust Gas Output For Reliable Extraction/Ejection

Steel gas block lets you adjust the amount of gas flow, so you can tune gas output for reliable extraction and ejection with different ammo types. Brass friction screw holds adjustments without thread locker and won't mar the adjustment screw. Fits under free-float handguards on .750" O.D. barrels. Dual bottom screws secure block to barrel. Requires Allen wrench, not included.

### Attributes

# Safety Instruction Guide for Seekins Precision AR15/M16 Adjustable Gas Block

## Introduction

Thank you for choosing the Seekins Precision AR15/M16 Adjustable Gas Block. This product is designed to enhance your firearm's performance by allowing for adjustable gas flow. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the gas block is installed correctly to prevent malfunctions.
- Regularly inspect the gas block for signs of wear or damage.
- Use only compatible ammunition as specified in your firearm's manual.
- Keep the gas block and surrounding areas clean to ensure proper function.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or adjustment of the gas block can lead to firearm malfunctions.
- **Avoiding Hazards:**
  - Do not attempt to adjust the gas block while the firearm is loaded or in an unsafe condition.
  - Ensure the firearm is pointed in a safe direction during installation and adjustment.
  - Use caution when handling tools like Allen wrenches to avoid injury.
- **Age Restrictions:** This product is intended for use by individuals of legal age to own and operate a firearm. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing gas block if applicable.
- Position the Seekins Precision Adjustable Gas Block on the barrel, ensuring it fits under freefloat handguards.
- Secure the gas block using the dual bottom screws provided. Use an Allen wrench for tightening.
- Check that the gas block is properly aligned and secured before proceeding.

### 2. Adjustment:

- Use the brass friction screw to adjust the gas flow as needed for different ammunition types.
- Make small adjustments and test the firearm to ensure reliable extraction and ejection.
- Avoid overtightening the adjustment screw to prevent damage.

### 3. Usage:

- Regularly check the gas block for proper function and make adjustments as necessary.
- Always follow the manufacturer's guidelines for your specific firearm model.

## **Disposal Instructions**

- Dispose of the gas block in accordance with local regulations for metal waste.
- Do not dispose of any firearm components in regular household trash.

## **Contact Information for Further Support**

For safety inquiries or assistance with your Seekins Precision Adjustable Gas Block, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

Thank you for prioritizing safety while using the Seekins Precision AR15/M16 Adjustable Gas Block. Your attention to these guidelines helps ensure a safe and enjoyable experience.
