

AR-15 MOE STOCK FIXED MIL-SPEC - MAGPUL MOE FIXED MIL-SPEC CARBINE STOCK FOR AR-15 ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MOE Fixed Carbine Stock provides a fixed, non-collapsing stock option for carbine length buffer tubes. The MOE Fixed Carbine Stock has a slim profile, improved cheek weld, and multiple sling attachment options, and is compatible with the ASAP Plate and PRS Extended Rubber Butt Pad. Installation is non-armorer and does not require the castle nut or lock plate to be removed. Uses the Magpul Type 1 QD Sling Mount.

Safety Instruction Guide for AR15 MOE Fixed MilSpec Carbine Stock

Introduction

Thank you for choosing the AR15 MOE Fixed MilSpec Carbine Stock by Magpul. This product is designed for safe and effective use on carbine length buffer tubes. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the stock, as well as to understand your rights under the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Inspect the stock for any visible damage before use. Do not use if damaged.
- Ensure that all components are compatible with your firearm before installation.
- Keep the stock and all components out of reach of children and unauthorized users.
- If you experience any issues or concerns with the stock, cease use immediately and contact a qualified professional.

Specific Safety Precautions for Use

- The stock is designed for use with AR15/M16 style rifles only. Do not use with other firearm models.
- Ensure that the installation is performed in a safe environment, free from distractions.
- Always follow the manufacturer's instructions during installation and usage.
- Be aware of the potential for recoil when firing the firearm. Proper cheek weld is essential for safe operation.
- Use only approved accessories and attachments with the stock to avoid compromising safety and performance.
- Regularly check the stock and its components for wear and tear, especially after extensive use.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock if applicable, without removing the castle nut or lock plate.
- Align the MOE Fixed Carbine Stock with the buffer tube and slide it into place.
- Secure the stock according to the manufacturer's instructions, ensuring it is firmly attached.
- Use the Magpul Type 1 QD Sling Mount for sling attachments as needed.

2. Usage

- Once installed, adjust your shooting position to ensure a comfortable and secure cheek weld.
- Always verify that the stock is properly secured before firing the firearm.
- Practice safe handling and storage of the firearm when not in use.

Disposal Instructions

- Dispose of the stock and any packaging materials in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.
- Check with local authorities for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the AR15 MOE Fixed MilSpec Carbine Stock, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 MOE Fixed MilSpec Carbine Stock. Always prioritize safety and adhere to the guidelines set forth in this manual. Thank you for your attention to safety and for choosing Magpul products.
