

# GOV'T LENGTH 1911 RECOIL SPRING TESTER - SECURE FIREARM PRODUCTS GOV'T LENGTH 1911 RECOIL SPRING TESTER

[Gunsmith Tools](#) > [Handgun Tools](#) > [Magazine Tools](#)

Recoil spring tester is a simple testing device that helps you quickly measure the compression strength of any Government-length 1911 recoil spring. Lets you easily check if your gun's spring is getting weak, and you can identify the weight of any unmarked springs you may have lying around. No more worries about damaging the gun with a weak spring or accidentally installing a soft spring when you want to shoot +P ammunition. Recoil spring tester is compact enough to take to the range; fits easily in tool box or shooting bag.

## Attributes

- Name: [SECURE FIREARM PRODUCTS GOV'T LENGTH 1911 RECOIL SPRING TESTER](#)
- Manufacturer: [SECURE FIREARM PRODUCTS](#)
- Product no.: 100011593
- Mfr. No.: 11490-SR-D
- Delivery weight: 0.181kg
- Shipping height: 25mm
- Shipping width: 135mm
- Shipping length: 254mm

## Safety Instruction Guide

### Introduction

Thank you for choosing the GOV'T LENGTH 1911 RECOIL SPRING TESTER by Secure Firearm Products. This recoil spring tester is designed to help you measure the compression strength of Governmentlength 1911 recoil springs safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always handle the recoil spring tester with care.
- Ensure that the recoil spring tester is used in a safe environment, away from children and vulnerable individuals.
- Regularly inspect the tester for any signs of damage or wear before use.
- Use the recoil spring tester only for its intended purpose as described in this guide.
- If you encounter any problems or have concerns about the product, stop using it immediately and seek assistance.

### Specific Safety Precautions for Use

- **Compression Strength Measurement:** Ensure that the recoil spring is securely placed in the tester before measuring to avoid accidents.
- **Battery Safety:** Use only 2 AAA batteries as specified. Do not mix old and new batteries or different types of batteries.
- **Avoid Overloading:** Do not attempt to measure springs that exceed the maximum weight limit of 26 lbs. Doing so may damage the tester and cause injury.
- **Proper Handling:** Always hold the tester firmly and avoid using excessive force when measuring springs.
- **Storage:** Store the recoil spring tester in a dry, secure location, away from extreme temperatures and direct sunlight.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather the necessary materials: GOV'T LENGTH 1911 RECOIL SPRING TESTER and 2 AAA batteries (not included).

#### 2. Battery Installation:

- Open the battery compartment located on the tester.
- Insert 2 AAA batteries, ensuring the correct polarity (+ and -) is observed.
- Close the battery compartment securely.

#### 3. Measuring a Recoil Spring:

- Place the recoil spring in the designated area of the tester.
- Ensure that the spring is fully seated and stable before proceeding.
- Activate the tester to measure the compression strength of the spring.
- Read the measurement displayed on the tester and record it if necessary.

#### 4. PostUse Care:

- After measuring, remove the recoil spring from the tester.
- Turn off the tester to conserve battery life.
- Clean the tester with a soft, dry cloth to remove any debris or residue.

## Disposal Instructions

- When disposing of the GOV'T LENGTH 1911 RECOIL SPRING TESTER, follow local regulations for electronic waste disposal.
- Remove the batteries and dispose of them according to your local battery recycling guidelines.
- Do not dispose of the product in regular household trash.

## Contact Information for Further Support

For any questions or concerns regarding the GOV'T LENGTH 1911 RECOIL SPRING TESTER, please refer to the manufacturer's contact details provided in the product packaging or visit their official website.

By following these safety instructions, you can ensure the safe and effective use of the GOV'T LENGTH 1911 RECOIL SPRING TESTER. Always prioritize safety for yourself and others while using this product.
