Safety Instruction Guide for Geissele Automatics Trigger Fitting Pin

Introduction

Thank you for choosing the Geissele Automatics Trigger Fitting Pin. This product is designed to assist with the installation of small pins in AR15/AR308 hammer and trigger systems. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the Trigger Fitting Pin in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, organized, and free from distractions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against debris and potential injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Trigger Fitting Pin for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the Trigger Fitting Pin with care to avoid injury.
- Use the pin only for its intended purpose; misuse may result in injury or damage to components.
- Avoid using excessive force during installation as this may cause damage to the pin or the firearm.
- Ensure that the firearm is unloaded and safe before beginning any installation or maintenance work.
- Follow all local laws and regulations regarding firearm modifications and safety.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have the necessary tools for installation.
- Verify that the Trigger Fitting Pin is compatible with your AR15/AR308 system.

2. Installation Steps

- Make sure the firearm is unloaded and pointed in a safe direction.
- Identify the hammer and trigger installation points.
- Align the Trigger Fitting Pin with the designated holes in the hammer and trigger components.
- Gently insert the pin, ensuring it is seated correctly without excessive force.
- Confirm that the pin is secure and that all components are functioning properly before reassembling the firearm.

3. PostInstallation Check

- After installation, conduct a safety check to ensure that the firearm operates correctly.
- Test the trigger and hammer function to verify proper installation.
- Store the Trigger Fitting Pin in a safe place when not in use.

Disposal Instructions

- Dispose of the Trigger Fitting Pin in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer needed, consider recycling options or contact local waste management for guidance.
