# Safety Instruction Guide for the Geissele Automatics Gas Block Punch Kit

## Introduction

Thank you for choosing the Geissele Automatics Gas Block Punch Kit for your AR15/AR10. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the kit.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the punch kit.
- Ensure that the workspace is clean and welllit to prevent accidents.
- Keep the punch kit out of reach of children and unauthorized users.
- Inspect the punch kit before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and related tools.

## Specific Safety Precautions for Use

- Handle the punch kit with care to avoid injury.
- Use the punch kit only for its intended purpose: the removal and installation of the 0.078" roll pin on gas blocks.
- Do not force the punch if it does not fit or if resistance is encountered. This may cause damage to the tool or injury.
- Ensure that the gas block is securely mounted before attempting to remove or install the roll pin.
- Avoid working on a gas block that is excessively rusted or corroded. Seek professional assistance if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the Geissele Gas Block Punch Kit, a hammer, and a clean workspace.
- Ensure the firearm is unloaded and the gas block is accessible.

### 2. Using the Punch Kit:

- Select the appropriate punch size (5/64 in) for the roll pin.
- Align the punch with the roll pin on the gas block.
- Gently tap the punch with a hammer to drive the roll pin out. Use controlled, firm strikes.
- Once the roll pin is removed, carefully remove the gas tube from the gas block.
- To install a new roll pin, align it with the hole in the gas block and gently tap it into place using the punch.

### 3. PostUse:

- After use, clean the punch kit and store it in a safe location.
- Regularly inspect the kit for damage and replace any worn components as needed.

## **Disposal Instructions**

- Dispose of the punch kit in accordance with local regulations.
- Do not dispose of the punch kit in regular household waste if it is damaged or contains hazardous materials.
- Consult local waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Geissele Automatics Gas Block Punch Kit, please contact the manufacturer directly. Ensure you have your product information ready for reference.

Please remember that safety is your responsibility. By following these guidelines, you can ensure a safer experience while using the Geissele Automatics Gas Block Punch Kit. Thank you for your attention to these important safety instructions.
