

# AR-15 MOE-SL GRIP - MAGPUL MOE SL GRIP POLYMER FOR AR-15/M4 STEALTH GRAY

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Similar to the MOE-K2, the MOE SL Grip (Magpul Original Equipment Slim Line) is a drop-in upgrade for AR-15/M4 pistol grips with a more vertical grip angle optimized for short LOP weapons that bring the primary hand in closer to the shooter's body. With an aggressive new texture for positive weapon control along with excellent ergonomics, the SL Grip provides a slightly smaller size and slimline feel. All mounting hardware included.

# AR15 MOESL Grip Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 MOESL Grip by Magpul. This guide provides essential safety instructions to ensure the safe use and installation of your new grip. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the grip is compatible with your AR15/M4 firearm model.
- Always handle firearms responsibly and follow all local laws and regulations.
- Inspect the grip for any signs of damage or wear before installation.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the grip if it appears damaged or defective.
- Ensure that the firearm is unloaded and the safety is engaged before installing the grip.
- Avoid using excessive force when installing or adjusting the grip to prevent damage.
- Do not modify the grip, as alterations may compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment while using your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the safety is engaged.
- Gather all necessary tools for installation (if applicable).

### 2. Removing the Old Grip:

- Locate the screws securing the existing grip to the firearm.
- Use the appropriate tool to remove the screws carefully.
- Gently pull the old grip away from the firearm.

### 3. Installing the New Grip:

- Align the new AR15 MOESL Grip with the mounting area on the firearm.
- Insert the screws provided in the package through the grip into the mounting holes.
- Tighten the screws securely, but do not overtighten to avoid damage.

### 4. Final Checks:

- Ensure the grip is securely attached and does not move.
- Conduct a safety check on the firearm before use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grip becomes damaged beyond use, follow local guidelines for the disposal of polymer materials.
- Do not throw the grip into regular trash if it can be recycled; check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 MOESL Grip, please refer to the manufacturer's website or customer support resources. Always ensure that you are using the most current information regarding product safety and usage.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your new grip!
