

# AR-15 MOE-SL STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Optimized For Use With Body Armor & Modular Gear

Direct replacement buttstock for AR-15/M16 carbines is designed to withstand the rigors of the modern battlefield. Slim stock features a sloping cheek weld for a firm fit and improved user comfort. The dual side latch release provides easy adjustments and is set up out of the way to remain snag free. Premium chrome-silicon locking spring ensures a positive long on the receiver extension tube and long service life for the stock. Internal anti-rattle feature provides a snug fit to minimize wobble on the receiver extension tube. Rolled toe and angular butt plate allows for easier shoulder transitions and better fit when using body armor. Non-slip rubber butt-pad helps keep the carbine on your shoulder and increases recoil absorption. Two sling mounts allow you to utilize different mounting options.

# Safety Instruction Guide for AR15 MOESL Stock

## Introduction

Thank you for choosing the AR15 MOESL Stock. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Use the stock only with compatible AR15/M16 carbines that meet the specified dimensions.
- Regularly inspect the stock for wear and damage. Do not use if damaged.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the stock is securely attached to the receiver extension tube before use.
- Be aware of the stock's weight and balance when handling the firearm.
- Avoid using the stock in environments where it may be exposed to extreme temperatures or humidity, which could affect material integrity.
- Use the nonslip rubber buttpad to maintain a secure grip on your shoulder during use.
- When transitioning between shooting positions, be mindful of the stock's dimensions to avoid snagging on clothing or gear.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Firearm:** Ensure the firearm is completely unloaded. Remove any existing stock if applicable.
2. **Attach the Stock:**
  - Align the stock with the receiver extension tube.
  - Slide the stock onto the tube until it is fully seated.
  - Engage the dual side latch release to secure the stock in place.
3. **Adjust the Length of Pull (LOP):**
  - To adjust the LOP, depress the latch and slide the stock to the desired length.
  - Release the latch to lock the stock into place.
4. **Check Security:** After installation, ensure the stock is securely attached and does not wobble.

### Usage Instructions

- When shouldering the firearm, ensure the stock is snug against your shoulder for optimal stability.
- Utilize the sling mounts for secure carrying options.
- Adjust the stock as needed for comfort and optimal shooting position.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and polymer materials.
- If the stock is damaged beyond repair, do not attempt to reuse it. Dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the AR15 MOESL Stock, please refer to the manufacturer's contact information provided with your product.

### **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 MOESL Stock. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important safety instructions.
