

# **TACTICAL 100 ELECTRONIC EARMUFFS - 3M COMPANY PELTOR-TACTICAL 100 ELECTRONIC MUFFS**

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Peltor Tactical 100 foldable electronic earmuffs (NRR 22dB) feature an adjustable, padded headband and soft ear cushions for all-day comfort. Built with proprietary 3M technology to suppress harmful gunshot noise while amplifying low-level sounds. Adaptive Frequency Response reduces background noise for clearer conversations and hearing of commands. Tactical 100 earmuffs run on 2 AAA batteries (not included) and feature 2-hour auto shut-off to maximize battery life. The 3.5mm audio input jack is compatible with most MP3 players and 2-way radios.

# Safety Instruction Guide for TACTICAL 100 ELECTRONIC EARMUFFS

## Introduction

Thank you for choosing the TACTICAL 100 Electronic Earmuffs from 3M Company. These earmuffs are designed to protect your hearing while allowing you to hear lowlevel sounds clearly. This guide provides essential safety information and instructions for proper use and maintenance. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the earmuffs are used according to the manufacturer's instructions.
- Regularly inspect the earmuffs for any damage or wear. Do not use if damaged.
- Store the earmuffs in a safe, dry place when not in use.
- Keep the earmuffs out of reach of children and vulnerable individuals.
- Report any unsafe product experiences to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always adjust the headband to fit securely but comfortably on your head.
- Ensure that the ear cushions create a proper seal around your ears to maximize noise reduction.
- Do not modify or alter the earmuffs in any way.
- Avoid using the earmuffs in environments with extreme temperatures or humidity.
- Be aware of your surroundings when using the earmuffs, especially in highnoise environments.
- Do not use the earmuffs while operating machinery or engaging in activities that require full attention.
- Ensure that the earmuffs are turned off when not in use to conserve battery life.

## Instructions for Installation and Usage

### 1. Unboxing the Earmuffs:

- Carefully remove the earmuffs from the packaging.
- Check for any visible damage or missing parts.

### 2. Battery Installation:

- Open the battery compartment located on the earmuffs.
- Insert 2 AAA batteries (not included) following the polarity markings (+/-) inside the compartment.
- Close the battery compartment securely.

### 3. Adjusting the Earmuffs:

- Place the earmuffs on your head.
- Adjust the padded headband for a snug yet comfortable fit.

### 4. Using the Earmuffs:

- Turn on the earmuffs using the power button.
- Adjust the volume control to your preferred level.
- Connect external audio devices using the 3.5mm audio input jack if desired.

### 5. Auto ShutOff Feature:

- The earmuffs will automatically shut off after 2 hours of inactivity to extend battery life.

## 6. Regular Maintenance:

- Clean the ear cushions with a damp cloth to remove dirt or sweat.
- Inspect the earmuffs regularly for any signs of wear or damage.

## Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations for electronic waste.
- Remove the batteries before disposal and recycle them according to local battery recycling guidelines.
- Do not dispose of the earmuffs in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the TACTICAL 100 Electronic Earmuffs, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines, you can ensure a safe and effective experience with your TACTICAL 100 Electronic Earmuffs. Thank you for prioritizing your hearing protection!
