Safety Instruction Guide for LOADED CHAMBER INDICATOR BLOCK

Introduction

Thank you for choosing the LOADED CHAMBER INDICATOR BLOCK from APEX TACTICAL SPECIALTIES INC. This product is designed to enhance the safety and usability of your Smith & Wesson M&P Shield handgun by providing a tactile indication of the loaded chamber. It is essential to follow the safety guidelines and instructions outlined in this guide to ensure the safe use of this product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely.
- Only use the LOADED CHAMBER INDICATOR BLOCK with compatible models as specified.
- Regularly inspect your firearm and accessories for wear or damage.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the LOADED CHAMBER INDICATOR BLOCK.
- Do not modify the LOADED CHAMBER INDICATOR BLOCK or the firearm in any way.
- Avoid using the LOADED CHAMBER INDICATOR BLOCK if it shows signs of wear or damage.
- Keep the LOADED CHAMBER INDICATOR BLOCK clean and free from obstructions.
- Do not rely solely on the loaded chamber indicator; always verify the status of the firearm manually.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is completely unloaded.
- Remove the factory loaded chamber indicator according to the manufacturer's instructions.
- Insert the LOADED CHAMBER INDICATOR BLOCK into the chamber of the firearm.
- Ensure it is seated properly and securely.

2. Usage

- To check if the chamber is loaded, feel for the LOADED CHAMBER INDICATOR BLOCK.
- If the block is present, the chamber is loaded. If it is not, the chamber is empty.
- Always doublecheck the status of the firearm by visually inspecting the chamber.

Disposal Instructions

- Dispose of the LOADED CHAMBER INDICATOR BLOCK in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding the LOADED CHAMBER INDICATOR BLOCK, please refer to the manufacturer's website or customer support.

By following these guidelines and instructions, you can ensure that you use the LOADED CHAMBER INDICATOR BLOCK safely and effectively. Always prioritize safety when handling firearms and their accessories.
