# MagnetoSpeed Sporter Chronograph Safety Instructions

## Introduction

Thank you for choosing the MagnetoSpeed Sporter Chronograph. This guide provides important safety instructions and usage guidelines to ensure a safe and effective experience with your new chronograph. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that the MagnetoSpeed Sporter Chronograph is used only as intended, following all provided instructions.
- Keep the chronograph out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the device for any signs of damage or wear. Do not use if damaged.
- Use the chronograph in a safe environment, away from obstructions and potential hazards.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the device in a wellventilated area to avoid inhalation of any fumes or gases.
- Do not point the sensor at any person or animal while in operation.
- Ensure that the chronograph is securely attached to the firearm barrel to prevent it from falling or being dislodged during use.
- Avoid using the chronograph in wet or damp conditions to prevent electrical hazards.
- Do not attempt to modify or disassemble the chronograph, as this may lead to malfunction or safety risks.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the chronograph is compatible with your firearm barrel (1/2 inch to 1 inch in diameter).
- Attach the bayonetstyle sensor securely to the barrel.
- Use the integral strapping system with the metal buckle and triad thumb nut to ensure a tight fit.
- Plug in the sensor cord to the display unit.

### 2. Usage:

- Turn on the display unit by plugging in the sensor cord.
- The display will show recent shot velocity and statistics after each shot.
- Use the onebutton cycling display for easy navigation through the data.
- Adjust sensitivity settings as needed for optimal performance.

### 3. Battery Replacement:

- The device uses a 9Volt battery, which is included.
- To replace the battery, open the easyaccess battery compartment without the need for a screwdriver.
- Ensure the device is turned off before replacing the battery.

## Disposal Instructions

- Dispose of the MagnetoSpeed Sporter Chronograph in accordance with local regulations for electronic waste.
- Remove the battery before disposing of the device and recycle it according to local battery recycling guidelines.
- Do not dispose of the chronograph in regular household waste.

## Contact Information for Further Support

For questions or concerns regarding the MagnetoSpeed Sporter Chronograph, please refer to the included documentation or visit the official website for support resources.

Thank you for choosing MagnetoSpeed. Enjoy your chronograph safely and responsibly!
