

RECON-SL BOLT ACTION SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING 35MM 20 MOA BOLT ACTION MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the AD-RECON-S, the AD-RECON-SL mount is made for putting high power glass onto a bolt action rifle. This is the lowest mount that AMD offers. The AD-RECON-SL is a straight up scope mount with no eye relief built in. It is precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

Attributes

RECONSL Bolt Action Scope Mount Safety Instructions

Introduction

Thank you for choosing the RECONSL Bolt Action Scope Mount from American Defense Manufacturing. This guide provides essential safety instructions to ensure the safe and effective use of your scope mount. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always follow local laws and regulations regarding firearms and accessories.
- Inspect the scope mount for any visible damage or defects before installation. Do not use if damaged.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Use appropriate tools for installation to avoid damage to the mount or firearm.
- Do not exceed the recommended scope tube diameter of 35mm.
- Be aware that the mount does not incorporate builtin eye relief; ensure proper alignment with your eye before firing.
- Regularly check the tightness of the mount to prevent loosening during use.
- If using a rail system that is out of specification, ensure compatibility before installation.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench and appropriate Allen keys.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove any existing scope mounts or accessories from the firearm.
- Align the ADRECONSL mount with the Picatinny rail on your bolt action rifle.
- Secure the mount using the provided screws. Tighten to the manufacturer's recommended torque specifications.
- Check that the mount is stable and does not move when pressure is applied.

3. Scope Attachment:

- Attach your scope to the mount according to the scope manufacturer's instructions.
- Adjust the scope to ensure proper sight alignment and eye relief.

4. Final Checks:

- Inspect all connections to ensure everything is secure.
- Perform a function check with the firearm to ensure proper operation.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the manufacturer or authorized dealer for assistance. Ensure you have the product details ready for faster support.

Thank you for prioritizing safety while using the RECONSL Bolt Action Scope Mount. Enjoy your shooting experience responsibly!
