Safety Instruction Guide for THREADED BARRELS FOR GLOCK® SILENCERCO THREADED BARREL FOR GLOCK 19 1/2X28

Introduction

Thank you for choosing the Silencerco Threaded Barrel for your Glock® 19. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety rules and regulations.
- Always treat your firearm as if it is loaded.
- Keep the threaded barrel out of reach of children and unauthorized users.
- Regularly inspect the threaded barrel for any signs of damage or wear before each use.
- Only use the barrel with compatible Glock® models (Gen 3 and Gen 4).
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or use may lead to firearm malfunctions or accidents.
- Using incompatible ammunition can result in dangerous conditions.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation or removal of the threaded barrel.
- Use only the specified ammunition for your threaded barrel:
- 9mm barrels require 9mm Luger ammunition.
- Ensure proper threading: 1/2x28 for 9mm and .578x28 for .45 ACP.

- **Age Specific Warnings:**

- This product is intended for adult use only. Keep away from children and individuals without proper training in firearm safety.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel from your Glock® 19 following the manufacturer's instructions.
3. Carefully attach the Silencerco threaded barrel by aligning it with the slide and pushing it into place.
4. Ensure that the barrel is securely locked in place before use.
5. Install the thread protector to safeguard the threads when not in use.

- **Usage:**

- Confirm that the threaded barrel is properly installed before firing.

- Only use the barrel with compatible suppressors or muzzle devices that fit the 1/2x28 threads.
- Regularly check for tightness and secure fit of the barrel during use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the threaded barrel in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Silencerco threaded barrel, please refer to the manufacturer's website or contact their customer support.

Note: Always stay updated on safety recalls and product information through the EU's Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities.
