Safety Instruction Guide for Silencerco Threaded Barrel for Glock 21

Introduction

Thank you for choosing the Silencerco Threaded Barrel for your Glock 21. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Always treat the threaded barrel as if it is loaded.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Ensure that you are familiar with the operation of your Glock handgun before installing the threaded barrel.
- Use only compatible ammunition specified for your barrel to avoid malfunctions or accidents.
- Regularly inspect the threaded barrel for any signs of wear or damage.
- Follow all local, state, and national laws regarding the use of threaded barrels and silencers.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the threaded barrel.
- Always wear appropriate eye and ear protection when using a firearm equipped with a threaded barrel.
- Do not modify the threaded barrel or firearm in any way that could compromise safety.
- Use a thread protector when the barrel is not in use to prevent damage to the threads.
- Be aware of your surroundings and ensure that the area is safe and clear of bystanders when firing.

Instructions for Installation and Usage

1. Installation of the Threaded Barrel

- Ensure the Glock 21 is unloaded and pointed in a safe direction.
- Remove the factory barrel by following the manufacturer's instructions.
- Carefully insert the Silencerco threaded barrel into the slide, ensuring it is seated properly.
- Securely fasten the barrel in place according to the Glock 21 specifications.
- Attach the thread protector to the threaded end of the barrel when not in use.

2. Usage of the Threaded Barrel

- Load the firearm with compatible .45 ACP ammunition.
- Aim the firearm in a safe direction and prepare to fire.
- Fire the weapon in accordance with standard safety practices.
- After use, clean the threaded barrel as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the threaded barrel in accordance with local regulations for metal and firearms components.
- Do not discard any firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the Silencerco Threaded Barrel for Glock 21, please refer to the manufacturer's website or customer service resources.

By adhering to these safety instructions, you will help ensure a safe and enjoyable experience with your Silencerco Threaded Barrel for Glock 21. Thank you for prioritizing safety.
