RIGHT SIDE TECHNA CLIPS Safety Instruction Guide

Introduction

Thank you for choosing the RIGHT SIDE TECHNA CLIPS Right Side Belt Clip for Ruger LC9S. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the firearm is unloaded before attaching or detaching the clip.
- Always handle firearms with care and in accordance with established safety practices.
- Keep the clip and firearm out of reach of children and unauthorized users.
- Regularly inspect the clip and firearm for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Concealment:** The clip allows for easy concealment. However, ensure that the firearm remains secure and does not shift during movement.
- **HolsterFree Carry:** While the clip eliminates the need for a holster, be aware that this may affect how the firearm is drawn. Practice drawing the firearm in a safe environment.
- **Installation Location:** Only attach the clip to the designated area on the firearm as instructed. Improper installation can lead to malfunction or unintended discharge.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and trained in firearm safety.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** You will need a small screwdriver to install the clip.
2. **Unload the Firearm:** Ensure that the Ruger LC9S is completely unloaded before beginning the installation.
3. **Locate the Rear Frame Pin:** Identify the rear frame pin on the right side of the firearm.
4. **Align the Clip:** Position the clip against the right side of the frame, ensuring it aligns with the rear frame pin.
5. **Secure the Clip:** Insert the rear frame pin through the clip and into the firearm. Tighten securely but avoid overtightening, which may damage the firearm.
6. **Check Stability:** Ensure the clip is firmly attached and does not wobble or shift.

Usage Instructions

- **Attaching the Clip:** Once installed, the clip should be positioned on the right side of the firearm for optimal access.
- **Drawing the Firearm:** Practice drawing the firearm from the clip in a safe, controlled environment to ensure familiarity with the process.
- **Carrying the Firearm:** When carrying, ensure that the clip is secure and that the firearm is not visible to unauthorized individuals.

Disposal Instructions

When the RIGHT SIDE TECHNA CLIPS is no longer needed or is damaged beyond repair, dispose of it responsibly. Follow local regulations regarding the disposal of firearm accessories. If applicable, consider recycling the materials.

Contact Information for Further Support

For any inquiries regarding the RIGHT SIDE TECHNA CLIPS or safety concerns, please refer to the appropriate contact channels available in your region. Always ensure you are consulting reliable sources for information related to firearm safety and product recalls.

By following these guidelines, you can ensure the safe and effective use of the RIGHT SIDE TECHNA CLIPS Right Side Belt Clip for Ruger LC9S. Thank you for prioritizing safety in your firearm handling practices.
