BELT SPEED LOADER CARRIER FOR S&W GALCO INTERNATIONAL

Introduction

Thank you for choosing the BELT SPEED LOADER CARRIER FOR S&W GALCO INTERNATIONAL. This product is designed to carry a single revolver speedloader securely on your belt. It is made from premium saddle leather and is available in tan or black. This guide provides important safety instructions and information to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the product for any signs of damage or wear before use.
- Ensure the speedloader is securely fastened in the carrier before carrying.
- Do not overload the carrier beyond its intended purpose.
- Keep the product out of reach of children to prevent accidents.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the belt is compatible with the carrier and can support its weight.
- Avoid using the product in wet conditions to prevent damage to the leather.
- Do not expose the product to extreme temperatures or direct sunlight for prolonged periods.
- When not in use, store the product in a cool, dry place away from direct sunlight.
- If you notice any deterioration in the leather, discontinue use and seek advice on repair or replacement.

Instructions for Installation and Usage

1. Installation:

- Choose a belt that is up to 1 3/4" wide.
- Slide the speedloader carrier onto the belt at a comfortable position.
- Ensure that the carrier is securely attached and does not slide or move.

2. Usage:

- Place the speedloader into the carrier, ensuring it is fully seated.
- Secure the speedloader by snapping the closure mechanism.
- When drawing the speedloader, do so with a firm grip to ensure it does not slip from your hand.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the leather components where possible.
- Do not burn the product as it may release harmful substances.
