Safety Instruction Guide for the Concealable Mag Carrier

Introduction

Thank you for choosing the Concealable™ Magazine Carrier by Galco International. This product is designed for safe and efficient carrying of your magazines. Please read this safety instruction guide carefully to ensure proper use and maintenance of your magazine carrier.

General Safety Guidelines

- Ensure that the magazine carrier is suitable for your specific magazine type and size.
- Regularly inspect the carrier for any signs of wear or damage before use.
- Store the magazine carrier in a safe place, out of reach of children.
- Always handle magazines and firearms with care and follow local laws and regulations.
- Do not overload the magazine carrier beyond its intended capacity.

Specific Safety Precautions for Use

- Always ensure that the magazine is unloaded before placing it in the carrier.
- When wearing the carrier, ensure it is securely fastened to prevent accidental release.
- Be mindful of your surroundings and avoid drawing attention to the carrier while in public.
- If you experience any discomfort while wearing the carrier, adjust or remove it immediately.
- Do not expose the carrier to extreme temperatures or moisture, as this may damage the material.

Instructions for Installation and Usage

1. Installation:

- Choose a belt that is compatible with the magazine carrier (up to 1 3/4" wide).
- Slide the tunnel loop of the carrier onto your belt.
- Position the carrier at a comfortable location on your body, ensuring accessibility.

2. Usage:

- To insert a magazine, ensure it is pointed in the correct direction.
- Gently push the magazine into the carrier until it is securely held in place.
- To remove the magazine, grasp it firmly and pull it straight out of the carrier.

Disposal Instructions

- When the magazine carrier is no longer usable, dispose of it in accordance with local waste disposal regulations.
- If the carrier is made of leather, consider recycling or repurposing it where possible.
- Ensure that all components are disposed of safely to prevent harm to the environment.
